

Phonics and Spelling Help Sheet

How do I pronounce phonic sounds correctly?

You can hear all 42 letter sounds on the Jolly Phonics website [here](#)

You could also download a free App **Phonics UK** to listen to each sound

What online games do you recommend for Phonics and Spelling?

[Phonics Bloom](#) and [PhonicsPlay - Resources](#)

Geared towards early phonic development. Some games are only available with a subscription

[Topmarks](#)

Choose age range and category – please note games are repeated across the age ranges and it won't do any harm revisiting phonic games at any age.

What Apps can I use at home?

Many free apps actually require a subscription, so please be wary when downloading apps and many pronounce the letter name rather than the sound so it can be confusing for children.
