

# Whiteness Primary School Improvement Plan 2020 / 2021

## Improving Health and Wellbeing

To look after each other through COVID-19 and beyond.

- We will use the Zones of Regulation to help us do this.

## Leadership of Learning

To draw on the positive lessons from COVID-19 and provide a curriculum that has flexibility, choice, creativity, digital and outdoor provision.

- Leadership at all levels – staff, pupils and parents.

## Raising Attainment

To support our learners to reach their potential.

- Embed positive relationships.
- Identify gaps in learning because of lockdown.
- Put in support where needed.

## Management of resources

Fit for purpose resources that are current, engaging and inspiring.

- Streamline resources to ones that motivate and engage learners.
