Learning is designed on the basis of the following principles:

- Challenge and enjoyment
- Breadth
- Progression
- Depth
- Coherence
- Relevance
- Personalisation and choice

Opportunities for personal achievement

We would like to hear about any of your child's opportunities for wider achievement out of school. Please share with your child's class teacher any personal "proud" moments they have had, we will include these on our Wider Achievement Wall and in their own profile. Opportunities in school for personal achievement include performing in assemblies and concerts. Sporting events, leading learning through committees and family events. Buddying in school and representing the school in the wider community.

Curriculum areas and subjects

Health and Wellbeing: Continually reinforce handwashing, good manners and healthy balanced diet discussions for snack and lunchtimes. Friendships and **co-operative/paired activities**, developing confidence and consideration for others. Our Families - how they are all different/People who help and look after me.
