

# Whiteness Primary School Improvement Planning – Parent Voice

Please describe Whiteness Primary School in three words.....

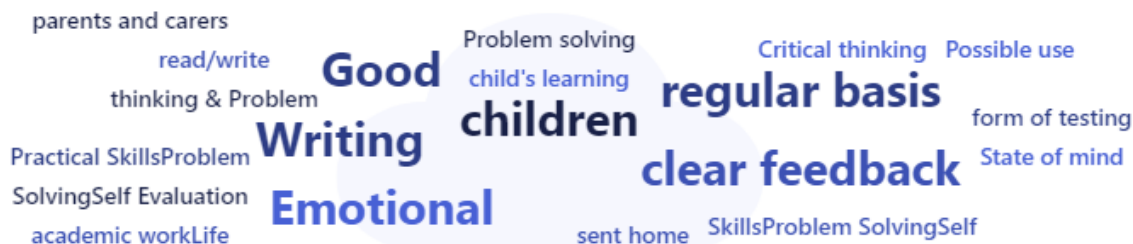

Welcoming Hands-on Inclusive Small Welcoming fun Fair Organised Approachable  
friendly words Hands on Pupils Whiteness Brilliant Friendly Sun  
School Friendly Supportive supportive school Safe Fun Friendly  
Creative Inclusive Positive Helpful Communicative Open

Please tell us the three aspects of teaching that are a priority for you.....

teaching Play-led Embracing technology Social Outdoors Initiative / Independence  
Instructions are clear Feedback to the children Lesson time  
instead of judging children and parents **childs** learning learning environment  
Lessons are interesting clear not every child individual children Active learning  
clear targets instructions for the parents Physical Health individual skills clear rules

Please tell us the three skills you would like us to assess.....

parents and carers read/write Good child's learning regular basis Critical thinking Possible use  
thinking & Problem **Writing** children **clear feedback** form of testing  
Practical Skills Problem Solving Self Evaluation **Emotional** State of mind  
academic work Life sent home Skills Problem Solving Self

**Thank you for your suggestions-** we are confident we are meeting or plan to assess almost all the skills you identified. I would be interested to hear more about the profiles other schools use, as mentioned in one response ... if this was your comment please get in touch with me.
