

Whiteness Early Years Improvement Plan 2025 / 2026

How can you help? Please get in touch with the school if you would like to contribute ideas / suggestions or support with our School Improvement Plans.

Developing creativity and skills for lifelong learning

- Staff will audit skills progression in Early Years.
- Identify activities to support skill development.
- Evaluate impact.
- Check children are making developmentally appropriate progress against expected skills.

Family Learning- focussed Stay and Play sessions supporting parents and carers to identify areas of strength and next steps for their children.

- Three Stay and Play sessions over the year.
- Identifying stage of development
- Working together to agree next steps.

Ensuring wellbeing, equity and inclusion- Learning through play- helping our children to be resilient and self-regulated learners.

- New School Rule characters to support children.
 - Safe Snail
 - Ready to Learn Lion
 - Respectful Rabbit
- Consistent approaches to support resilience and self-regulation.
