Dear Parent/Carer,

Return to School August 2021

We are very much looking forward to welcoming back all pupils and families, with a particularly warm welcome to all our new Primary 1 pupils.

As you may be aware updated national guidance was published by the Scottish Government on the 9th of August. The full document can be accessed via the following link... [Coronavirus \(COVID-19\): guidance on reducing the risks in schools - gov.scot \(www.gov.scot\)](https://www.gov.scot/publications/coronavirus-guidance-on-reducing-the-risks-in-schools/pages/1-1-introduction.aspx) Tony McDaid, the Executive Director of Education for South Lanarkshire Council has also provided an updated communication for families (see attached). Please also find attached a letter from NHS Lanarkshire highlighting changes in procedures and self-isolation requirements in the event of a positive Covid-19 case in schools.

Changes

As a result of the updated guidance I am delighted to inform families that on their return to school on Monday children will no longer be in class 'bubbles' or groupings. This means that we will have no cones in the playground and children from different classes will be able to mix and play together outside. It also means that children will be able to work and learn together with their peers and friends from different classes across the school. While classes may still go outside for P.E, we are also pleased to be able to utilise our lovely gym hall for indoor P.E activities.

Continued Mitigations (Reviewed in 6 weeks)

Mitigations such as requirements to hand wash/sanitise hands regularly, one way system and drop off and collection arrangements (details in table below for new session) will remain in place. Physical distancing of 1m will remain in school between adults and adults and children. In line with national guidance and local advice we are continuing to ask parents and carers to wear face masks while in the school grounds (unless medically exempt).
