

Literacy and English

We will be continuing to work through our spelling and reading programmes, with these being our focus for homework. In writing, we are focusing on writing different types of letters and writing our own imaginative stories.

This term we will focus on debating skills within listening and talking.

Numeracy and Mathematics

Numeracy

Green Group– Multiplication, Division and Fractions.

Red, Blue and Black Groups – Expressions/Equations, Patterns/Relationships, Fractions, Decimals and Percentages.

Maths – Mrs. Murphy

Green Group- Grid references and Measurement

Red, Blue and Black Groups- Co-ordinates and Measurement

Learning across the Curriculum

We are looking forward to celebrating Burns' Day with our Burns' Supper on the 23rd January. We have been working hard to learn poems and dances.

We will complete our topic on The Victorians before looking at mini topics on Fair Trade and Germany. We will also be learning some German language linked in with our topic. In French, we will be learning vocabulary around food and drink, through the context of The Café. We will be learning about Carnival and Mardi Gras through our RME topic.

Health and Wellbeing

In PE we will be putting our stamina, determination and resilience to the test when training for our Cross-Country competition which will take place on March 14th at Lanark Racecourse.

Health – Mrs. Murphy

In health, we will be learning about the benefits of being active outdoors and factors which influence people's choice of food.

Wider School Curriculum

Parent Council Film Night – 16th February
Cross Country competition – 14th March
Community Spring Afternoon – 27th March
