

Black Mount Primary School
School Improvement Plan 2024-25

At Black Mount Primary School, our vision is for all pupils to achieve their full potential as well as developing Skills for Learning, Life and Work within an inclusive, supportive, safe, stimulating and motivating environment. This session we have identified 3 improvement priorities to continue on our school improvement journey.

Priority 1
To enhance learning and teaching opportunities within Expressive Arts with a particular focus on music this session.

Priority 2
To ensure Black Mount Primary School is an inclusive learning environment where young people understand their emotions and emotional responses.

Priority 3
To promote positive relationships, ensure wellbeing and deliver high quality teaching and learning experiences using the outdoors.
