

Braehead Primary School Vision
In Braehead Primary we encourage a happy, safe, caring environment where everyone is motivated and challenged to meet their full potential for lifelong learning.

Braehead Primary School Newsletter
Week beginning 21.1.19

Dear Parents/Carers,

Parent Council

Our next Parent Council Meeting takes place tonight at 6:30pm in the school. All welcome.

Scottish Celebration

Thanks to all who attended the Scottish Celebration on Friday. The children were outstanding! They recited their poems beautifully and entertained everyone with their singing and retelling of The Three Billy Goats Gruff in Scots. It was wonderful to see all the children participating – great effort from everyone in learning their poems and actions!

After School Clubs

We hope to offer after school clubs again this term for both P1-4 and P5-7. I have spoken with our Active Schools Coordinator and together we have planned a multi-sports club for both age groups which we hope to begin after the February holiday. Further details will be provided once they have been confirmed.

Lockerbie Manor

The children were asked last week to select 4 children they would like to share a dorm with while in Lockerbie Manor. As yet we have received no indication of the occupancy of the rooms and will have to wait to be told this. I have told all children that we will aim to place them with at least two children from their lists so everyone should be happy with the sleeping arrangements.

Netball Festival

It has now been confirmed that there will be another Netball Festival for our children on Friday 8 February. Mrs Wallace and Miss Kennedy will therefore be taking the netball team for training on Friday lunchtime this week and Wednesday lunchtime the next week – we want to keep our clean sheet at the festival! EV5s are attached with this newsletter.

STEM Project – Lanark Grammar School

We will be participating in 'FunSTEM' organised and run by Lanark Grammar School on Friday 15 February. This event is for Primary 7 pupils only and will involve participating in a launch day (15.2.19) then working on a STEM project back at school which we have decided to do in conjunction with P7 pupils from Carmichael Primary to allow the children from both schools at P7 to work together and build relationships before heading off to secondary. As there are only two pupils in P7 at Carmichael they will come to Braehead to work collaboratively with the P7 pupils from Braehead. This should be an enjoyable experience for

Braehead Primary School
Small School, Big Ambition

everyone and hopefully one which will prove to have multiple benefits for the children. Please find attached with this newsletter an EV5 for completion.

Holidays

Please note the school will be closed for all children on Monday 11th February and will re-open on Thursday 14 February.

As always should you have any questions or concerns please do not hesitate to contact me.

Kind regards,

Elizabeth Steele
Head Teacher

Dates for the Diary
