Dear Parents/Carers,

Netball Success!

Congratulations to our netball teams who participated in the Lanark cluster tournament on Friday. It was a pleasure to watch them play, the positive feedback received from staff from other schools and those organising the event on our children's behaviour, ability, and sportsmanship was wonderful to hear. One of our teams made it to the final and were overall runners-up in the tournament. Congratulations to Underbank Primary who went on to win.

Assessment

As outlined in the assessment pathway issued at the beginning of the session this is a busy time at school in terms of gathering evidence of attainment and achievement. Staff assess pupils informally throughout the school session however in May we undertake standardised assessments, which helps us measure progress, consider next steps and allocate support for learning as required. Please be aware that the assessments form part of our evidence base of achievement of and within a level of Curriculum for Excellence – they are not done in isolation as we consider class work and what we know and see from the children on a day to day basis. Should you have any further questions around the assessment programme please do not hesitate to get in touch.

As always should you have any questions or concerns please do not hesitate to contact me.

Kind regards,

Elizabeth Steele
Head Teacher
