

Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

Braehead Primary School Newsletter **Week beginning 21.9.20**

Dear Parents/Carers,

Interim Reports

A copy of your child's interim report will be coming home on Thursday via pupil post. This is a short report to give a general overview on how your child has settled back into school with some information on working levels and developing skills.

Our parent consultations are likely to take the form of phone calls to parents this term with the hope that a face to face consultation will be an option in Term 3. As always we will be guided by the Scottish Government and South Lanarkshire Council around this. Further information to follow in due course.

A-Z of Attachment and Resilience

This week we highlight F – Friendships

I appreciate this is very difficult at this moment in time; we all look forward to the time when this is made safer and easier for our children.

Breakfast Club

There are currently no plans for Breakfast Club to recommence any time soon. I will keep you updated with any changes to this. This is not a school level decision but an authority wide decision.

Digital Survey

Thank you to all families who completed the digital survey – I have posted the link to the survey on the Facebook page once again this morning for any families still to complete this. At present we have a 92% return; it would be beneficial if we had a full picture of our learners' needs with regards to digital access and support with Google Classroom to ensure we are targeting those in need.

As a staff we continue to work on contingency planning and how we provide continuity of learning should we face any kind of closure in the coming weeks and months. We want to make sure this is beneficial, consistent and easily accessible for our children and their parents.

Should you have any questions or concerns please do not hesitate to contact me.
