

### Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

## **Braehead Primary School Newsletter** **Week beginning 26.10.2020**

Dear Parents/Carers,

### **Flu Immunisation**

All children who have given consent will receive their flu immunisation on Thursday 29 October in the school.

### **Parent Consultations**

By now all parents should have received their appointment times for the parent consultations which take place next week. If for whatever reason you are no longer able to manage the time allocated please let Mrs Campbell in the school office know and we will endeavour to fit you in at a more convenient time.

### **Active Girls Week**

The following information has been received from Active Schools and should be shared with all:

The Active Schools team would like to invite all schools to join our Active Girls celebrations across social media on the week beginning 26<sup>th</sup> October and concluding on Friday 30<sup>th</sup> October 2020 in line with SportsScotland's National Active Girls Day. More information and promotion support can be found on this link: <https://sportscotland.org.uk/schools/active-girls/>.

We realise that this year will be very different to the norm as there will be no taster sessions or festivals organised, but this is still a great opportunity to work with fantastic partners and inspire girls to increase their levels of physical activity. We have planned a range of online content that we hope schools can engage with and help promote to their pupils, please see the attached timetable and list of our social media channels to follow.

The week will include a mixture of online dance and fitness tasters, club promotions, challenges, interviews, an interactive Sport Hour on Twitter and much more! Please see attached a timetable for the week which we would be grateful if schools could share on their own social media feeds to help raise the profile of this virtual celebration.

For any schools not on Twitter, you will be able to view most of the content on our Youtube channel: [https://www.youtube.com/channel/UCCoU21oHtI4L500QBS\\_33Pw](https://www.youtube.com/channel/UCCoU21oHtI4L500QBS_33Pw).

Day	Monday	Tuesday	Wednesday	Thursday	Friday	Extra!	
Time						Tues: TikTok Challenge Wed: Walk & Talks

Unfortunately we will be unable to participate in the sessions indoors but hopefully the content will be able to be enjoyed at home.

### Hallowe'en/Dress Down Day

On Friday we will be having our monthly dress down day, there is no charge for this. As it is Hallowe'en children are welcome to come along to school either dressed down or in fancy dress, please do not go to any expense for this as we will be unable to have our usual party and celebrations. Instead, the children will be completing fun Hallowe'en activities in class. I would like to specify that no 'props' are brought in to school e.g. broomsticks, swords etc. the less things we have coming back and forth the better.

Many thanks to Braehead Village Group who have kindly donated Hallowe'en goody bags for every child in the school. The sweets are all pre-wrapped and bagged, they are now sitting in the school in the quarantine area and will be there until Friday when the children can take one on the way out the door at 3pm. We will ask children not to eat these until they are home. This was a lovely gesture from the Village Group and is much appreciated.

### Winter Menu

From today we will be extending the Summer Menu to run until the end of March 2021. Please click on the link to open a copy of the new Winter Menu. This week is Week 3. You will see there is stand by menus attached should measures need to be applied at short notice.

### COVID-19 Reminder

Should any member of your household be displaying symptoms of COVID-19 or indeed any symptoms which are making you worry about the possibility of COVID-19, please book a test or contact NHS to ask if booking a test is appropriate given the individual's symptoms. All members of the household should isolate from the point of booking the test or being advised to book a test rather than when a positive result is obtained.

As always, should you have any questions or concerns please do not hesitate to contact me.
