Dear Parents/Carers,

#### **Homework Survey**

As intimated last week we have put together a short survey re homework as we look to gather your views on homework and parental engagement – please take a few minutes to complete the survey using the link below. Please complete one for every child you have in the school, many thanks.

#### **COVID-19**

Should a pupil display any of the three main symptoms of COVID-19 then they **must go for a PCR test with everyone in the household isolating until the results of the PCR are known**. Please note completing a lateral flow test is not the guidance when symptoms are present – it must be a PCR. Pupils **should not return** to school simply having had a negative lateral flow test. The purpose of the lateral flow tests are to detect people who may be asymptomatic. If you are in any doubt please see the following:

Here is a reminder of the three main symptoms. Anyone displaying these symptoms should not come to school until they have received a negative PCR/completed their isolation period.

- Cough
- High temperature
- Loss or change in taste or smell

As always, should you have any questions or concerns please do not hesitate to contact me.
