

Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

Braehead Primary School Newsletter **Week beginning 03 October 2022**

Dear Parents/Carers,

Thank you!

Thank you so much for all the kind wishes and comments about being permanently appointed. I am over the moon and looking forward to working hard with you all to ensure Braehead is the best school it can be for all our children!

Biodiversity project

The Levensseat judges will be in school on Wednesday to look at how our project is progressing.

McMillan Coffee Afternoon

Our McMillan Coffee morning will be on the 6th October at 1.15pm in the hall. Everyone is welcome and we are hoping to have the Lunch Club joining us as well. We are going to be doing some baking in school but would really appreciate any donations of baking.

Harvest Festival Assembly & Food Bank Collection

Calum Keys will be doing a Harvest festival with the pupils this afternoon. We will be accepting donations for the foodbank until Friday this week and then we will delivering it to the foodbank.

Climate Change Conference

3 pupils from Braehead Primary will be attending South Lanarkshire's first Climate Change conference on the 13th October in Hamilton. We have submitted a poster based on our Biodiversity Project and our representatives will feed back to the rest of the school at a future assembly

Be Bright Day

A wee warning that we will be having our 'Be Bright Day', on Friday 14th October. We are looking for pupils to wear the brightest clothes they can to raise awareness of the need to be seen as the days get shorter and it is darker outside. There will be prizes for our winners from the Junior Road Safety Officers.

Kindest regards,

Lisa Glashan
Head Teacher

Dates for the diary

Date	Event
