

Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

Braehead Primary School Newsletter Week beginning 24 October 2022

Dear Parents/Carers,

Biodiversity project

Thank you to all parents and carers who were able to join us to hear about our biodiversity project, I hope you enjoyed it as much as we did!

Food Bank Collection

Thank you for all donations for the local food bank, it will be appreciated more than ever in these difficult times!

Be Bright Day – Friday 14th October

Be bright day was a great success, all pupils worked hard on their 'Be Bright' designs and got a prize, but our overall winners were Oliver, Jacob, and Isla. Thank you to our Junior Road Safety Officers, Henry and Sebastian for organising. Well done everyone! Remember to Be Bright, Be Seen, and Be Safe!

Climate Action Conference

Our three representatives from Braehead attended South Lanarkshire's first Conference of Schools (COS1) focusing on climate action. This event was organised and delivered by secondary pupils and was a fantastic experience for all pupils, our representatives got lots of ideas to share with their classmates.

School App

Our School App has now been launched, many families downloaded the app when they were in for parents' night. If you require the PIN number please phone the school office or

speak to us at school as this will not be in print anywhere for obvious reasons! We will continue to put information on Facebook for the next few weeks to ensure everyone has had time to make the transition and then it will be the school App only. If you have any questions do not hesitate to contact us.

Parents' Night

Thanks to everyone who joined us for the first 'in-person' Parents' Night for some time! It was great to be able to speak to everyone and show off pupils' work. It was also a great opportunity to encourage everyone to download the School App and we were delighted to see so many of our donated Halloween costumes being recycled! There are still some costumes available if anyone requires one.

Recycled Halloween Costume Challenge

In line with our school improvement priority focusing on sustainability, this year we are holding a recycled Halloween costume challenge for pupils who wish to take part. We are looking for costumes that have been homemade, recycled or 'upcycled' using resources to hand rather than buying more 'stuff' and creating more landfill! Winners will be announced at the Halloween party on the afternoon of the 28th October!

Below are some links with ideas for costumes.

HT Work Pattern

A reminder that this term I am planning to change my work pattern to Tuesdays, Thursdays, and alternate Fridays in Braehead, this will be reviewed in the New Year.

Kindest regards,

Lisa Glashan
Head Teacher
