

Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

Braehead Primary School Newsletter Week beginning 31st October 2022

Dear Parents/Carers,

School App

I hope everyone has managed to download and start using the School App without too many problems, if you have any questions do not hesitate to contact us!

Halloween Party

We were so impressed by the creativity of our Halloween costumes, it was so difficult to judge and we appreciate the effort that everyone put in. Hopefully we will continue with recycled costumes, so if you have any from this year that you are finished with we would be happy to hold on to them for next year! Our winners were Struan and Euan but massive well done to everyone! Well done also to our senior pupils who did a fantastic job of organising the Halloween party!

Fire Service Visit

Our pupils enjoyed a visit from the Fire Service to remind them of important fire safety messages in the run up to Bonfire Night. P1-3 managed to go out to see the fire appliance for a wee while before it had to go to a call. There are photos on the App if you haven't already seen them.

Road Safety Discussions

On Thursday Councillor Julia Marrs and a member of the roads department from the council came to the school at the end of the day to observe and discuss potential adaptations to make our crossing safer. I am aware this is an on-going discussion and we will keep you informed of any future developments.

Glasgow Science Centre Visit

On Thursday 3rd November Glasgow Science Centre are visiting our school as part of the small schools science programme. They will be delivering workshops and activities for P4-7 before morning break and then including our P1-3s in activities after break.

Parent Council

Our next parent Council meeting will be on Tuesday 15th November at 3.30pm in school, everyone is welcome!

Flu Immunisation

The immunisation team will be in Braehead next week on the 8th November.

Kindest regards,

Lisa Glashan
Head Teacher

Dates for the diary

Date	Event
