

Our Vision

Our vision at Braehead is to provide a positive and engaging learning environment which challenges and supports all children to be the best they can be.

Braehead Primary School Newsletter **Week beginning 7th November 2022**

Dear Parents/Carers,

Glasgow Science Centre Visit

On Thursday last week Glasgow Science Centre visited our school as part of the small schools science programme. The pupils really enjoyed the performance and interactive activities, there are photos on the School App.

Parent Council

Our next parent Council meeting will be on Tuesday 15th November at 3.30pm in school, everyone is welcome!

Flu Immunisation

The immunisation team will be in Braehead next week on the 8th November.

P7 Transition Activities Paperwork

If your child is in P7 and going to Lanark Grammar could you get the Active Schools Transition Activities paper work into us as soon as possible if you want them to attend!

In-set Day Monday 14th November

Just a wee reminder that the school will be closed to pupils on Monday 14th November.

Scottish Book Trust Book Week

The week beginning 14th November will be Book Week across Scotland. There will be a range of activities in school, there will be more information to follow.

Levensseat Results

A group of pupils will be travelling to Longridge Community Centre for the Levensseat results on Thursday 17th November with Mrs Macrae and Mrs Wallace.

Financial Support

In these difficult times I wanted to remind people about applying for Free School Meals and Uniform grants. Currently all P1-5s are entitled to free school meals but this does not cover milk or give you access to the clothing grant if you are entitled to it. You can check eligibility and apply below. The school budget is partly dependent on the number of pupils who are registered for free school meals, so it helps us too!

There is also a push to ensure that people know everyone under 22 years of age is entitled to free bus travel.
