

# Braidwood Primary School – School Improvement Plan 2023-2024

‘When children and young people have good relationships, they are more likely to feel self-esteem and confidence with regard to their learning, to show resilience when faced with personal challenges, and to show respect for others.’ Building the Curriculum 4 , 2009

In Braidwood Primary we believe positive relationships are key in motivating and engaging our pupils further in their learning. In session 23-24 we will continue to build on pupils’ emotional resilience, their learning in Writing and skills development.

## Priority One

Develop pupils’ grammar and punctuation skills which in turn will improve writing.

## Priority 2

Develop pupils’ social skills and enhance pupil communication skills to help strengthen relationships.

We will use Emotion Works to help with this.

## Priority 3

Develop skills for learning, life and work through engagement with the SLC Skills Framework.
