

Newsletter 2025

Dear Parents/Carers

I very much hope that all families had a relaxing September weekend.

'Welcome to our Classroom'

Thank you to the parents/carers who attended our 'Welcome to Our Classroom' events w/b 22 September 2025. Our event for learners within our supported classes will take place on Friday 10th October. A short feedback questionnaire will be uploaded to Parentsportal within the next few days and we would encourage you to complete this. Thank you for your support. Your feedback is important.

Autumn Weather

As the season changes and the colder weather arrives, please ensure your child has appropriate outdoor clothing, clearly marked with their name. We always try to allow the children outdoor breaks when possible.

Harvest Assembly

Our Harvest Assembly is being held on Monday 6 October at 1:30pm. Parent/Carers are welcome to attend. **Please remember to send your donations to the school this week.**

Evaluation of Learning

During the w/b 29 September and 6 October staff will be assessing pupils' progress in literacy, numeracy and Health and Well-being. The data from these assessments will be used by staff to identify next steps in learning.

Parent Consultations

We look forward to welcoming you to our Parent/Carer Consultations which will be held on Thursday 6 November from 3.30 until 8.00pm. Parents/Carers will have a one to one (7-minute) appointment with their child's class teacher to discuss their child's progress with learning as well as their behaviour/attitude in school. Parents/carers will also have an opportunity to look at a variety of their child's classwork so far this session. Further information on how to book an appointment through

Parentsportal will be issued in due course.
