

Chatelherault Primary School

Pupil Groups

Group: Numeracy

Date: 26th November 2024

Points from previous meeting:

- Collated results from maths week competition and pupil voice group announced the winner.
- Discussed some influential mathematicians that some children had researched

Main discussion points from today:

- We spoke about 3 influential mathematicians: Dorothy Vaughan, Mary Jackson and Katherine Goble. These women were essential to the success of early spaceflight. They became the brains behind the launch of the 1st American astronaut into space.
- Watched a video and discussed other mathematicians that were successful: Albert Einstein.
- We spoke about different maths resources we have in the school and pupil groups thought it would be advantageous if we have more active maths games for each department.

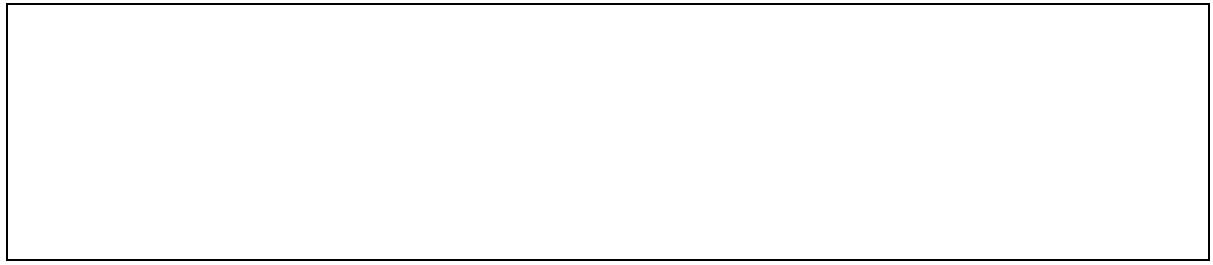

Focus Article:

Article 12: Every child has the right to express their views, feelings and opinions and to have their views considered and taken seriously.

Article 2: Every child has the right to be protected from discrimination

Action Points:

- Create active maths resources for each department, which pupils find most beneficial

Minute Taker: Miss Ross
