

Chatelherault Primary School

Pupil Groups

Group: Maths Ambassadors

Date: 30.8.23

Points from previous meeting:

N/A

Main discussion points from today:

- Introduction of Group Members and photo taken for website.
- What is Creative Numeracy?
- What makes a maths lesson fun? Exploring, investigating, solving problems, working with others.
- Any ideas about what the children want the Numeracy Group to do?

Focus Article: 12

Including the Article number and the description:
The right to an opinion and to have their ideas heard.

Action Points:

- Share with teacher and class that we want maths lessons to be fun and active.
- Think of a fun and active maths lesson to share with the group at next meeting.

Minute Taker:

Mrs Corns
