

# Chatelherault Primary School

## Pupil Groups

### Group: Eco Committee

**Date: 31.8.22**

Points from previous meeting

Main discussion points from today:

- Introduce and welcome committee members
- Photograph opportunity
- Inform new committee of the 3 current topics
  - Litter
  - Climate action
  - Food and the Environment
- The litter topic that was compulsory has now changed, we will still continue to focus on keeping our school and community tidy and litter free but the compulsory topic is now climate action
- Watch a cartoon about climate action
- [What is Climate Change? - Bing video](#)
- Climate Action week 26<sup>th</sup> September
- Brainstorm ideas for school activities / Live Lessons from Eco Schools Scotland
- Who would be interested in joining the RRS pupil group
- Class litter poster competition – suggested by Isa
- Art for wall from bottle tops suggested by Rosie – We will collect bottle lids for this project

Focus Article:

Including the Article number and the description

ARTICLE - 29

Children have the right to an education which develops their personality, respect for others' rights and the environment

Action Points:

- Ideas for Climate Action week for next meeting . Committee to ask classes
- Organise collection of Bottle tops for Art project
- Arrange lunch time club to tidy back door area leading to forest.
- **check on Mulch progress next time**
- Isla to organise class litter competition ( maybe 26<sup>th</sup> Climate Action week)
