

September 2022 Newsletter

Welcome to Nursery!

Our forest school sessions for this term have now begun. The children have been enjoying learning lots of new skills in the sunshine and taking part in many activities including lots of risk assessing during their play, we look forward to lots more forest fun.

Stay and Play

Learning Knows No Bounds

As part of our ongoing commitment to working in partnership with parents, we will be holding a 'Stay, Play and Learn' session on Friday 30th of September at 9.30m and 1.30pm.

During these sessions, you will have the opportunity to join in a range of play experiences across the different areas of the nursery as well as having the opportunity to speak to your child's key worker about any concerns you may have.

We will be offering 'Stay and Play' opportunities on a monthly basis, see the 'Dates for your Diary' section for more information.

Music Station

We are creating an outdoor music area and are looking for donations of unwanted items. Old pots, pot lids, wooden spoons, baking trays, metal bin lids, plastic pipes, plastic buckets, car wheel trims, slatted headboard or wire shelves from inside a fridge or anything else you feel makes an interesting noise are welcome.

Rights Respecting

The children have been busy writing their class charter as part of our Rights Respecting. This is displayed above the children's trays in the cloakroom. In the nursery, we focus on 4 articles from The United Nations Convention on the Rights of the Child. These are; Article 7 - the right to a name, Article 19 - the right to be safe, Article 29 - the right to learn and Article 31 - the right to play.

Toys from Home

We understand that some children like to bring a small transitional toy from home to show their friends, then keep in their nursery tray. Recently we have had an increase in toys with very small pieces which unfortunately get lost, if possible, could we please limit toys being brought into nursery to avoid any disappointment.

Medicines

Please note that any medicine that is expected to be administered by the nursery must be properly labelled from a pharmacy and in date before it can be signed into the nursery, thank you. Please let us know if your child has received medicine before attending nursery to allow staff to support and monitor your child.

Tree-Mendous

We enjoy celebrating the children's achievements, including those from activities and clubs out with nursery. Showing our commitment to developing the whole child and promoting good wellbeing, we like hearing about their growing independence at home. Please share your child's successes on the new Tree - Mendous Tree designed by the children

Staffing

Mrs Russell will be finishing off on Wednesday 21st September to start her maternity leave. We are all eager to hear all about her exciting baby news in the coming weeks. We will keep everyone up to date with regards to any new member of the team as soon as we know.

We would like to thank all parents and carers for their continued support and encouragement. We are all excited that you can now come into the nursery and look forward to involving our parents more, which we have missed in all aspects of nursery life.
