

## June 2022 Newsletter

Our forest school sessions for this term have now ended the children have been enjoying learning lots of new skills in the sunshine, we look forward to lots more forest fun in our new year.

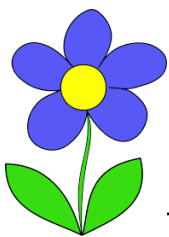

The boys and girls took part in many activities including lots of risk assessing during their play. I am sure the skills that have been learned will be invaluable during the summer holidays.

### Sports Day

Thank you to all the parents and carers who attended our fantastic sports day. I am sure you can all agree we have some budding Olympians in our nursery teams!

A very special thank you to all our parents and carers who took part in our egg and spoon race.

The nursery would like to warmly welcome Mrs Stewart who has just joined our team.

### Leavers Celebration

After practising long and hard all the boys and girls efforts came together for a spectacular leavers celebration. We would like to take this opportunity to wish all our superstars the best in their next big adventure. We will all miss you, but we know you will come back to visit us soon.

We would like to thank all parents and carers for their continued support and encouragement. We are all excited that you can now return into the nursery and look forward to involving our parents more, which we have missed in all aspects of nursery life.
