

# Chatelherault Primary School

## Pupil Groups

**Group: ECO**

**Date: 24.1.24**

Points from previous meeting:

Action Plan still to be done for ECO Wall - work in progress.

Main discussion points from today:

- Identified where ECO Wall is – discussed what was good about existing display and what we should try to include on our display this year.
- Started to colour headings for each focus area of Action Plan – these will be displayed on ECO Wall.
- Used the Action Plan to remind the group members about our focus on reducing water waste – ECO Group Members will be the Water Monitors for their class.
- Role of Water Monitor – to turn off taps, stop taps running for too long, stop children pouring their water away or over-filling their bottles

Focus Articles:

Article 12

**The right to have an opinion and to be heard.**

Article 29

**You have the right to education which tries to develop your personality and abilities as much as possible and encourages you to respect other people's rights and values and to respect the environment.**

Action Points:

- ECO display headings to be coloured.
- Monitor water usage in class and report back at next meeting.
