

Chatelherault Primary School

Pupil Groups

Group: ECO

Date: 21.2.24

Points from previous meeting:
Water monitoring in place.

Main discussion points from today:

- Feedback from members about Water Monitoring – P4 child has been wonderful. Noticed the class sink tap was broken, water was constantly dripping. She reported it to the janitor and the tap has been fixed. No more dripping tap or wasting water. Excellent Job!
- Finished Headers for ECO Wall.
- P6 & P7 children started our new ECO Code to share our messages and focus – they have decided to do this as a rap.

Focus Articles:

Article 12

The right to have an opinion and to be heard.

Article 29

You have the right to education which tries to develop your personality and abilities as much as possible and encourages you to respect other people's rights and values and to respect the environment.

Action Points:

- P6 & P7 children to finish ECO Code.
- Continue to monitor water usage in class.
