

Chatelherault Primary School

Pupil Groups

Group: Sustainability

Date: 3.9.24

Points from previous meeting:

- Reminder of what we've achieved so far while working on our ECO Action Plan

Main discussion points from today:

- Discussed what sustainability means
- Talked about the main points in our audit – Water, Climate Change & Biodiversity
- Created a Litter Calendar for all classes to take part in this year
- Shared information about Rangers from Chatelherault Park coming to visit the school this year to talk about Biodiversity.
- Hoping to get opportunities for visits from other outside agencies to support ways we can develop biodiversity in our school.

Focus Article: Article 29

Education should develop children's respect for the environment.

Action Points:

- Think of ways we can collect rainwater so we can use this in the mud kitchen, to feed plants, etc to save water from the taps.

Minute Taker: Mrs Corns
