The dolls are creepy and staring at her she sees the doll but then is distracted by a little doll riding a bicycle.

The girl turns around the doll is gone, she sees it on the shelf she climbs up to touch it and then grabs the doll from the shelf and it comes to life. The little girl is scared because the doll opens its mouth and speaks to her. STOP the doll screams and the little girl drops the doll to the floor. The little girl gets scared and tries to run out of the shop and the door is open. The little girl falls over on the ice outside the shop and bangs her head on the ground.
