

Chatelherault Primary School

Pupil Groups

Group: Equalities

Date: 3rd September 2024

Points from previous meeting:

-

Main discussion points from today:

- We introduced ourselves to our new group members.
- We had a group discussion about what the word 'Equalities' meant to us. Lots of our group members thought that this meant treating everyone the same.
- We learned that Equalities isn't always about treating everyone the same but treating others fairly.

Focus Article: **Article 29**

Action Points:

- Gather information – how are we doing as a school? Are we treating everyone in a fair way?
- Looking for positive examples in and around our school and thinking about what we could improve on to ensure everyone is treated fairly.

Minute Taker: G. Thomson
