

Chatelherault Primary School

Pupil Groups

Group: Sustainability

Date: 25.2.25

Points from previous meeting:

- Litter reminder given to all classes.
- Carrot tops have produced green leaves and are ready to plant.

Main discussion points from today:

- Keep Scotland Beautiful visit happening on Thursday 27th February 2025 to present the school with a special certificate for being one of only a few schools who have at least 10 ECO flags.
- Children will speak with visitor about work they have been doing in their pupil group.
- Carrot tops planted – monitor with water and sunlight.
- Shared new Greenhouse – ideas collected for what to grow in a short time, possibly wait till after Easter Break as there will be no one available to water them, etc.

Focus Article: Article 29

Education should develop children's respect for the environment.

Action Points:

- Share what they've done with Keep Scotland Beautiful Visitor on Thursday 27th February.
- Monitor carrot tops – ensure enough water and light to help the carrots grow.
