

Treasurers Report 22/23

This year has been great in regards to funds.

We were successfully awarded a £12k grant from Galawhistle which has went towards after school clubs, swimming for all pupils in primary and nursery, emotion intervention, gardening, woodwork and nurture experiences and resources.

We also secured funds from Hagshawhill and were able to subsidise some of the residential trip.

There are also still funds available that will go towards plans over the coming terms.

Through various other avenues such as Rag Bag clothing collection and Easy Fundraising we have been able to provide various treats throughout the classes as well as for our new P!s and our P7 that transitioned to high school.

We will continue to apply for grants and utilise what we can to hopefully reduce costs for families and school,
