P1-3 News

P1-3 completed their stone painting just before the September weekend. I'm sure you have all enjoyed seeing the results. The Wee Class also coloured and cut rainbow letters to make a new sign for the front door of the school. It's made from a log section, donated by Mhairi Hunter. It's been painted and varnished to hopefully withstand the Winter weather.

2 - More lovely stone painting

3 - Our lovely new painted sign at the front door.

Fairyland Story Books

Our Fairyland Topic has now sadly come to an end. The sad dragon sent us a d-mail back in August to ask us to turn our classroom into Fairyland and to read more Fairy Tales. To prove to the dragon that we have done as he asked, we have been writing and illustrating our own Fairyland story books. Here are the results - I'm sure you'll agree, they are fab!

4 - Ziya-Star's birthday cake for the dragon.

5 - Alec's 'happily ever after' story.

6 - Blake's story - The Investigator helped to solve the mystery of where the dragon was.

7 - Cooper's story for the dragon had a pop-up cover.

8 - Joslyn's storybook was a love story - ooh la la!

9 - James wrote a 'Once upon a time story'.

10 - Like all the best Fairy Tales, Erica's story ended with a 'happily ever after'.

11 - Thora's Fairy Tale was about the Three Little Kittens....

P4-7 Pupils

Last Friday was a very exciting day for P4-7. They had devised The Hunger Games especially for the visiting S1s. They planned the event and trialed it with the P1-3 class. The afternoon was a huge success and it was great to see the whole school working together and having fun. All pupils are delighted with the new technology which has been added to the class. All pupils are successfully logging in to GLOW now and enjoying IDL, Sumdog and Easimaths.

P4-7 are loving the activities related to their unit study "The Stick Man with the Big Bum". This week the pipe cleaner stick men went home for a visit. The pupils then wrote about the adventures they had.

The second week of Music with Mr Johnstone went well. We were learning about the Pulse in Music and started work on body percussion. It is great to see Mr Johnstone and Abington on the big screen .

Parent Council

Staff are keen for the Parent Council to restart. Meetings will need to be on-line through a platform such as Zoom or Microsoft Teams. Our Parent Council membership is sorely depleted (2 members, one of which no longer has a pupil in school) and urgently needs parents to step up. Your school needs you. Please consider supporting your Parent Council.

Email: gw14crawfordpsht2@glow.sch.uk if you able to help

Thank you to the two parents who have indicated they are willing to step up so far. More volunteers would be great!
