

Crawford Primary School

Our journey to improvement
2025-26

01

To develop Inquiry based Learning

Foster curiosity driven, hands on learning where pupils ask questions, explore, problem solve and develop critical thinking skills across curricular areas.

02

To embed digital literacy at all levels

Equip pupils with essential digital skills, ensuring safe, responsible, and innovative technology use for learning, creativity, and future readiness.

03

To support transitions with a focus on wellbeing and relationships

Prioritise pupil wellbeing by nurturing strong connections, fostering resilience, and providing consistent support during transitions between schools.
