

Buddy System

Every Primary 1 Pupil will have their own Buddy. Their buddy will support your child for the first few weeks at playtimes and lunchtimes. Buddies can help P1 pupils to make friends in the playground and to find their way around the school.

Throughout the year, our Primary 1 and Primary 7 teachers will arrange 'buddy sessions' in our Natural Play area.

In the May and June of Primary 6, our buddies explored what it means to be a good buddy. This means that by the time August comes around, they are ready for their new roles!
