Staff Shoutouts

As Jackton ELC continues to grow, we are delighted to share that our staff team is growing too. Over the coming months, we will be welcoming three new members to our team – Lucy, Morgan, and Eli.

All three bring valuable experience within the early years sector and are looking forward to meeting our children and families, becoming part of our nursery community, and getting to know everyone.

During their first few weeks, Lucy, Morgan, and Eli will spend time building relationships with the children, families, and staff team. Once they are familiar with our routines and community, they will be placed within a room and allocated a key group of children.

We are excited to have them join us and look forward to the positive contributions they will bring to Jackton ELC.

We are incredibly proud of Natasha, who has successfully achieved her BA in Childhood Practice. Balancing her role within the nursery while studying in the evenings is no small task, and her dedication and commitment truly reflect her passion for early years education. Well Done!

BookBug Week

We transformed our Hobbit Hut into a cosy, welcoming space where children could enjoy stories, songs and rhymes throughout Bookbug Week 2026.

The environment encouraged children to feel safe, relaxed and engaged while developing a love of books and early literacy experiences.

Important Information

Graduation Tickets are now on sale please see the office if you would like to purchase these. These are priced at £5 per ticket and you can purchase a maximum of 2x tickets per child.

Tesco Stronger Starts Grant Update

We would like to thank our families and wider community for continuing to support our Tesco Stronger Starts Grant application.

Voting remains open in your local Tesco branch until 31st July, and every vote helps us get one step closer to achieving our goal of creating a community allotment for Jackton ELC.

Thank you for your continued support – we truly appreciate your help in making this ambition a reality.
