## Our Aims

We aim to:

- Provide a safe, nurturing and engaging environment in which our children develop positive attitudes, good self-esteem, resilience and become confident individuals.
- Give children the opportunity to explore emotions, cultures and beliefs to foster respect and understanding for others and themselves.
- Create stimulating experiences which promote positive attitudes towards learning, independence, intellectual development and enquiring minds.
- Enable all children to access an inclusive education that provides support and challenge to encourage them to fully develop their skills and talents for life, learning and work.
- Work in collaboration with partners (parents, carers, local / wider and learning community and other agencies) to enhance and support learning opportunities, share good practice and facilitate smooth transitions, enabling them to become effective contributors in society.
