Recycle our
school clothes
and save the
planet!

Pupils at Kirktonholme have pledged that they want to be more sustainable and help save the planet so they have set up a School Uniform Swap Don't Shop.

We will be able to re-use school uniforms that we have grown out of.

Please join us by handing in school uniforms your children no longer need and swap them for the next size!

All Swap Don't Shop
uniforms will be
laundered before they
are
swapped.
