

Please see below for the parent events we have planned throughout the year. We have provided opportunities for you to get involved in the mornings, afternoon and/or evening and we have events planned on different days. There is not an expectation for you to attend every event but we hope that we have given you enough notice to plan for these in advance. Health Warning - sometimes events can change due to circumstances out with our control. I've included a list of diary dates.

Communication with parents

- Our main source of communication is through Parent Portal.
We still use our school app APP Username kirktonholme password 2025
- Newsletters are published on the first working day of every month. These are also available on our website.
- Google Classrooms are used for homework. These will be set up and teachers will inform you when they will begin using them.
- Daily visibility - SMT are available every morning and afternoon in the playground & teachers are available at the end of the day
- Please phone if you would like an appointment to discuss a more serious matter

Want to volunteer? You can help out at Breakfast Club, in classes, help reading, go on trips?
Please ask at the office for a PVG application.

PE DAYS Children will have 2 hours of PE each week. This is made up of one indoor and one outdoor session. We also use Jumpstart Jonny in the event of inclement weather. Please make sure children have a change of shoes for indoor PE and shorts. Jewellery should not be worn. Children may bring warmer clothes for outdoor PE eg jogging. *Top tip - bring a gym bag on a Monday and take home on a Friday.*
