Welcome

On behalf of our staff I would like to warmly welcome you, and your family, to Kirktonholme Primary and we are looking forward to the beginning of a successful partnership with you.

Starting school is one of the most exciting life events for a child and their parent. At Kirktonholme, we will work with you to ensure that our school is a happy and rewarding place for your child. We will encourage, nurture and support your child in their journey to become a successful learner and responsible citizen of the future.

As a school community we have agreed our vision:

Learning is the HEART of Kirktonholme
Happiness, Excellence, Respect, Teamwork and Achievement

The atmosphere in our school is happy, relaxed and supportive. We have very high expectations of pupils' learning and behaviour. We regularly celebrate our pupils' successes and achievements from both within and out with our school.

Our dedicated teachers and support staff work tirelessly to nurture every child to help them realise their strengths and talents and to reach their full potential.

This handbook aims to tell you about our school. It has information about pupils and staff and the activities that go on in Kirktonholme Primary. We hope you enjoy reading it and looking at photographs of our children. Above all, we hope that your child will be very happy here.

Mrs Wright Head Teacher

Kirktonholme Primary's greatest strength is the way the staff build confidence & independence in the children. parent

Kirktonholme is excellent because everyone is friendly and well mannered. P4 pupil

Kirktonholme Primary is great because the staff are very kind to the kids. P7

Kirktonholme is excellent because we are one big community. P5 pupil

Our school is unique because we do lots of fun things. We have lots of sports and we danced outside for St Andrew's Day. P7 pupil

Our latest Education Scotland Inspection Report was published on 10th December 2024 and can be found at www.education.gov.scot.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the lives and prospects for everyone in South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families, and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people. This is available at [Education Resources Plan 2025/26 Education and learning - South Lanarkshire Council](#)

Kirktonholme Primary School and Early Learning Class is a non-denominational, co-educational school and teaches pupils from the age of 3 -12years. It serves the communities of West Mains and Stewartfield. At present there are 337 pupils organised into 12 classes, and an Early Learning Class which caters for 40 children from 3-5years.

Our School Day

Our normal school day is

Start	8.55am
Interval	10.35-10.50am
Lunch	12.30-1.20pm
Close	3pm

If any new parent wishes to visit our school, please contact the school office to make an appointment.

About our Early Learning Class

Kirktonholme Primary has an Early Learning Class which provides a fantastic learning environment for young children. If you wish to register your child for Nursery please contact your local nursery for an application. We will then contact to discuss the application form. Parents from any area may apply to attend the Early Learning Class. However it should be noted that if you register your child for an Early Learning Class in a school this does not mean that they will automatically be enrolled at this school when they are ready to start primary school. All children who move from early years to primary education must register separately for school in the month of January.

Kirktonholme Early Learning Class has provision for forty children. Our Early Learning Class provides parents with 1140 hours.

Doors open at 8.45 and 2.45pm each day.

Communication

Monthly newsletters are issued to all parents by means of our school app, Parent Portal and posted on our website to keep you briefed on the latest events and developments within school. We hold a Meet the Teacher Evening early in the school session so you can begin to form that vital relationship between home and school. Our pupils use Google Classroom which allows our parents to see and be involved in home learning.

Our staff and Senior Management Team are happy to see parents at any time although an appointment prior to your visit would guarantee you were seen quickly. If you need to speak with us, contact us by phoning the school office. The Management Team are also available in the playground every day before and after school. Please never hesitate to contact us to ask a question or to sort out an issue as we would rather address any concerns before they become serious.

Our school website is an excellent point of reference for keeping up to date. It hosts the most up to date information, school documents and home learning support materials.

www.kirktonholme-pri.s-lanark.sch.uk

Complaints

At Kirktonholme, we value our relationships. If you feel the need to complain, we will listen and work with you to reach a resolution.

Complaints Procedure – Making your Complaint

Guide to our complaints procedure

You can make your complaint in person by phone, by email, using our comments and complaints form or in writing. We have a two-stage complaints procedure in line with South Lanarkshire Council. We will always try to deal with your complaint quickly. But if it is clear that the matter will need a detailed investigation, we will tell you and keep you updated on our progress and follow the procedures set out below.

Stage 1: frontline resolution

We will always try to resolve your complaint quickly, within five working days if we can. If you are dissatisfied with our response, you can ask us to consider your complaint again.

Stage 2: investigation

We will look at your complaint at this stage if you are dissatisfied with our first response. We may also look at your complaint immediately at this stage, if it is clear that it is complex or needs detailed investigation.

We will acknowledge your complaint within three working days. We will give you our decision as soon as possible. This will be after no more than 20 working days unless there is clearly a good reason for needing more time.

It is important to provide feedback, in particular, when members of the public have concerns about the delivery of the service. When this happens you should have easy access to an effective procedure to allow a quick resolution to your complaint.

You can also contact South Lanarkshire Council in the following ways: Phone: 0303 123 1023
Email: education@southlanarkshire.gov.uk.

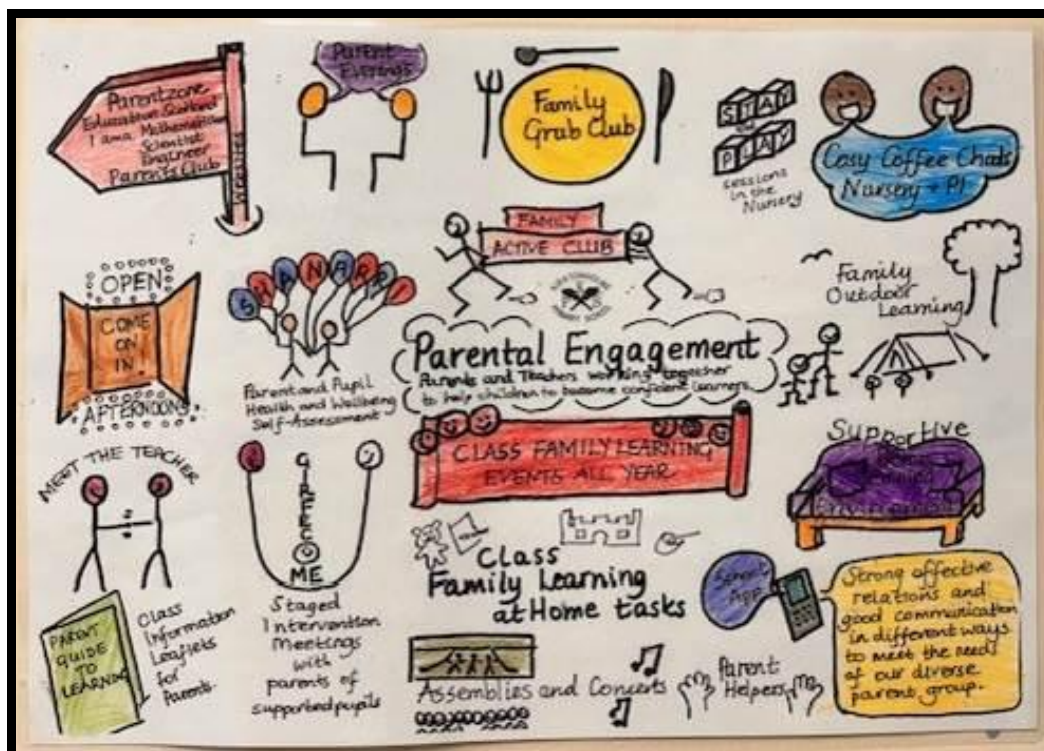

Care complaints- Early Learning and Childcare

We provide care services that must be registered with the Care Inspectorate. Anyone receiving care services from us has the right to complain, either directly to the Care Inspectorate, or to us. Service users may also receive care or support from other agencies under a contract with us. They may direct complaints about these services either to us (just like complaints about any council service) or directly to the Care Inspectorate.

To contact the Care Inspectorate and for more information visit: Care Inspectorate: (Nearest Office) – Princes Gate, Castle Street, Hamilton, ML1 6BU General Enquiries – 0345 600 9527 Email – www.careinspectorate.com

Complaints can be made by filling in the online form at
<https://www.careinspectorate.com/index.php/complaints>

This Complaints Procedure is readily accessible to users of our service. Copies are available from the School Office.

How we encourage parental engagement

School ethos – living our school vision, values and aims

Anyone walking into Kirktonholme Primary cannot fail to be impressed by our friendly and welcoming staff and well mannered, purposeful pupils. As a school community, we have developed and agreed our school vision:

Learning is the HEART of Kirktonholme

Our school vision is

Learning is the **HEART** of Kirktonholme
Happiness Excellence Achievement Respect Teamwork

Our school values are

Happiness Excellence Achievement Respect Teamwork

Our school motto is

KPS Be **K**ind Be **P**repared Be **S**afe

We focus on our values of:

Happiness

Excellence

Achievement

Respect

Teamwork

Our school aims were refreshed in August 2022. These are linked to our school values. We are aspiring to ensure

Happiness	We will provide a safe & inspirational place where all are included, accepted & listened to.
Excellence	We will try our best in all that we do.
Achievement	We will be our best self in life and learning.
Respect	We will respect ourselves, each other and our environment.
Teamwork	We will work together and help each other as one team.

Kaya designed and painted our school vision mural.

We promote our vision and values in our school on a daily basis.

We have many other partners who work with us to help us achieve our aims, including the Chaplaincy Team of David Graham (East Mains Baptist Church) and Mahboob Masih (West Mains Parish Church), East Kilbride Children's Librarian, Active Schools as well as many businesses who support our curriculum.

We like to go out and about into our community. Our school choir visit the local care homes, sheltered housing and the local Memory Clinic. Every year our children send Happiness Hearts with a message of good cheer to local care home residents within our community. We support the Loaves and Fishes Food Bank with collections twice a year. We have developed links with Kilbride Hospice raising awareness of the work they do and supporting them with fundraising.

Celebration of Achievements

We are very ambitious for our pupils in Kirktonholme and we encourage and challenge them at all times to reach their full potential whilst always providing the necessary support to ensure success. We focus on positive praise and we will celebrate all individual achievements. We celebrate children's success in many ways, both in the classroom and with the whole school. Each classroom has a recognition board and when children achieve the class goal, their photo is displayed on the board. We are also aware that our children are successful outside of school and they are encouraged to bring in medals and certificates so that we can also celebrate these achievements at assemblies. Each month we celebrate our children with HEART awards presented at assembly.

We are very proud of all of our pupils' achievements. At the end of the year parents are invited in to celebrate the successes of their child during an Open Afternoon.

Opportunities for Achievement

We are very proud to offer our pupils a wide variety of additional opportunities within our school. Kirktonholme has a successful athletics, netball and football team, who take part in local festivals. These teams are supported by our teaching staff. We have been able to offer our pupils the following opportunities:

- Swimming for P5 pupils
- Participation in local Rotary competitions, including Burns
- Participation in extra curricular clubs such as athletics, football, netball, science & engineering, homework, enterprise, ICT, choir
- Brass and violin tuition
- Taster sessions of a variety of sports including cricket, handball, basketball and karate
- Annual P7 residential trip
- Annual P6 and P7 school show
- Choir visits into our community
- Nursery visits to McKillop Gardens Nursing Home

We are very grateful to staff, volunteers and parents who donate their time to running the clubs and providing our children with additional experiences.

Pupil Leadership

Pupil Leadership plays a large role in the running and decision making in our school. Our pupils are encouraged to have a voice in our school and can be elected onto our Pupil Council where they are involved in whole school decision making. This year, all P4-P7 pupils are involved in improving aspects of our school. Each child belongs to a **HEART** group who have created and are working on 3 goals for the year. This year our groups are

Attendance

Encouraging School Attendance

We believe that regular school attendance is key to raising attainment and achievement. It's a shared responsibility among parents/carers and the school to emphasise the importance of attending school.

For your convenience, school holiday dates and in-service dates can be found on the council's website: www.southlanarkshire.gov.uk.

We place a high level of importance on school attendance. Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school. It is important for the school to work with parents/carers in encouraging children to attend school. All absences are required by law to be recorded. Absences will normally fall under two categories – authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:

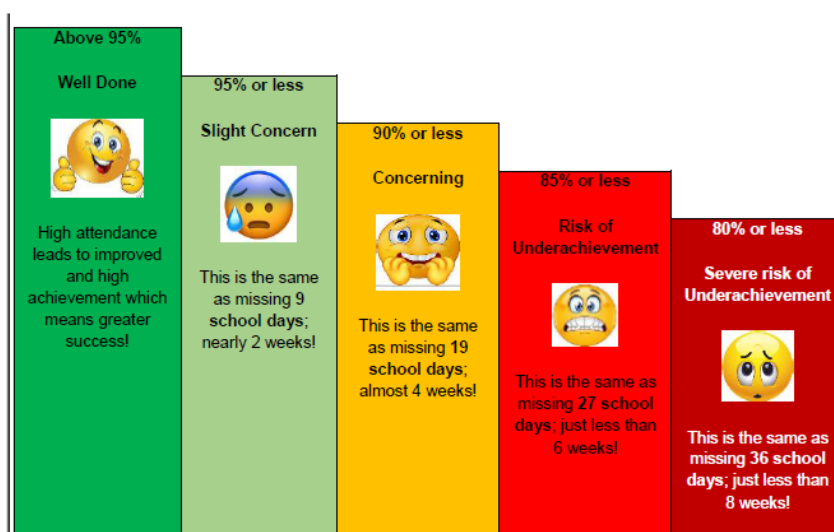

- ❖ If your child is unable to attend school, please contact the office by 9.15am. Let the school know the likely date of return and keep them informed if the date changes;
- ❖ Inform the school, by phone, in person or in writing, if you know in advance of any reason why your child is likely to be absent from school eg hospital / dental appointment
- ❖ Inform the school (or update Parent Portal) of any change to the following:-
Home Telephone Number Mobile Number Emergency Contact Details

Requests for your child to be absent from school to make an extended visit to relatives either in the UK or overseas must be made in writing to the head teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On these occasions the pupil will be marked as an unauthorised absence.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted, and the pupil noted as an authorised absentee in the register. (See section 7).

Family Holidays During Term Time

Family holidays taken during school term time will be recorded as unauthorised absences in line with Scottish Government and South Lanarkshire Council policy. The school is not required to provide work during this period, and parents are asked to avoid arranging holidays that disrupt their child's learning.

Information on emergencies

Emergency Information

We strive to keep the school open during term-time. However, there may be instances such as severe weather or power failures that could affect the school day. In such cases, we will inform you as soon as possible through text messages and our social media channels.

Severe Weather Protocol

In the event of severe weather like snow or heavy frost, if the school cannot open at the usual time, we will delay the start until 10 am. Notifications will be posted on social media and the council's website.

Communication

The Council's website, www.southlanarkshire.gov.uk, will provide updates on school closures or delays including further information about the next school day.

Things we need you to do:

- It is important for parents/carers to let the school know of any change to your mobile/home phone number and change of address.
- If for any reason, you are unsure if the school is open visit the website at www.southlanarkshire.gov.uk or email: education@southlanarkshire.gov.uk

Parental involvement

Parents and carers play a vital role in their child's learning. Research shows that when families are involved, children do better at school and beyond. South Lanarkshire Council values parents as partners and works closely with schools to make this happen.

Why Parental Involvement Matters

- Strong partnerships help schools understand children's needs and help parents feel informed and supported.
- Parents can reinforce learning at home, making schoolwork more meaningful and connected to everyday life
- Parental involvement can help children develop a love of learning and resilience when facing challenges
- When parents work with school and take an interest in learning, children often achieve more academically and feel more confident.

Our Commitment

We want parents and carers to:

- Feel welcome and involved in school life.
- Be well informed about their child's learning.
- Have opportunities to support learning at home.
- Share views and take part in discussions about education.

Parent Forum and Parent Council

- Every parent with a child at school is part of the Parent Forum.
- Each school has a Parent Council, a formal group that represents parents' views and works

with the school to improve learning and experiences.

Connect – Supporting Parent Councils

All Parent Councils in South Lanarkshire are members of Connect, Scotland's national organisation for parent groups. Connect offers:

- Free training and advice for Parent Councils.
- Resources and guides to help parents support learning.
- Insurance cover for Parent Council activities. Find out more at <https://www.connect.scot>.

Other Helpful Resources

- Parentzone Scotland – Practical advice and information about learning, additional support needs, and how to get involved: [Parentzone Scotland | Education Scotland](#)
- National Parent Forum of Scotland – Guidance and updates for parents: <https://www.npfs.org.uk>.

Getting Involved

Interested in joining the Parent Council or helping in school? Contact your school office or visit the Council website for details.

Parents are always warmly welcomed into our school. They support us in many ways from attending family learning workshop and school events to becoming a parent helper within the classrooms.

At Kirktonholme we have an active group of parent helpers who support us by accompanying pupils on outings, or engage in learning activities with the pupils such as paired reading or getting involved in our active learning approach. To find out more on how to be a parent helper, or a member of the Parent Council just contact the school or visit our website.

Some useful information contacts for parents to find out more on education are as follows:-

- Parentzone – www.parentzonescotland.gov.uk
- Engage Parent Forum – www.engageforeducation.org
- National Parent Forum for Scotland – www.educationscotland.gov.uk/parentzone
- South Lanarkshire Council – www.southlanarkshire.gov.uk

Kirktonholme Parent Council

Our school is very fortunate to be supported by an active Parent Council. Throughout the year the Parent Council provide excellent opportunities for our pupils including Halloween Discos and Christmas and Summer Fairs.

A message from Kirktonholme Parent Council:

As a parent, you can become involved and have a 'voice' by working in partnership with Kirktonholme Primary School on the Parent Council. Our school values and welcomes the help of parents with school activities and events, and also supporting the management of the school. You may be able to help out on a regular basis or you may only occasionally have time but all offers of help are gratefully received. The important thing is to be aware that you have skills and abilities that you can use to benefit Kirktonholme Primary and its pupils and we would be delighted to hear from you!

Parent Council

Joining the Parent Council will allow you to input your views and opinions on a monthly basis during term time (approximately 8 meetings per year for around two hours in the evening).

The role of the Parent Council is to:

- support the school in its work with pupils
- represent the views of all parents
- encourage links between the school, parents, pupils, pre-school groups and the wider community
- report back to all the parents in the school
- play a role in the appointment of head teachers and depute head teachers
- support the school and pupils during school inspections.

If you feel that this is not for you then fear not – we also need help with fundraising activities

Fundraising activities include Halloween Discos, Christmas and Summer fairs etc. Helping at these events is another option which will allow you to be actively involved in your child's school while only giving up a small amount of time to man a stall or supervise for an hour at one of the school discos. We have made financial contributions to support events, purchase audio equipment and provided resources for Early Learning Class. In recent years, we have been able to gift the school with 10 Chromebooks, new sheds, 15 ipads, Lego Robotics Kits, playground equipment, provide a bike shed to support the Bikeability programme and contribute to the development of the outdoor space.

If you would like to get it touch, we would be delighted to hear from you and answer any questions that you may have. We have a closed Facebook page, "Kirktonholme Primary Parents Page."

The Curriculum

Curriculum for Excellence is the name given to the curriculum in Scotland for all children and young people aged 3-18. It is forward looking, coherent, flexible and an enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need to flourish in life, learning and work.

The curriculum places learners at the heart of education and at its centre are four fundamental capacities - successful learners, confident individuals, responsible citizens, and effective contributors. It includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery, and school.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enrich the curriculum, to provide the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curricular areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit [Scotland's Curriculum for Excellence \(scotlandscurriculum.scot\)](http://scotlandscurriculum.scot)

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some.

Bikeability

Play Approach

Loose Parts

Expressive arts

Expressive Arts covers Art and Design, Music and Drama. These areas are linked to specific topics and covered in Interdisciplinary Learning. The children are afforded a great range of experiences from the curriculum and work builds on prior learning. A variety of opportunities are available for children throughout the school to take part in music/drama activities, including Nativities, Carol Concert, Choir on Tour and our annual school show. Children from P5 – P7 are given the opportunity to learn to play an instrument – current choices are violin and a variety of brass instruments. P5 children take part in South Lanarkshire Council's Youth Opportunity programme and have an extra session of Music for two terms of the year.

Languages and literacy

Reading, Writing, Listening and Talking activities are the basis of our Literacy throughout P1 – P7 and are planned for and developed within the daily classroom programme.

We use a variety of text and strategies to teach language and literacy throughout the levels. We use Blooms Taxonomy to develop higher order reading skills and make use of resources including: Bug Club, Story World, Literacy World, Literacy Box, Jolly Phonics, Rhyme and Analogy, Active Literacy and Key Comprehension.

Reading Pre-reading activities have already started with your child long before school begins and these continue until he/she is ready for more 'formal' reading. The teaching of reading is based on phonological awareness. All materials and teaching develop the higher order reading skills. All children work within a group situation suited to their age and ability level. Our class libraries encourage the children to read for pleasure and books may be sent home to encourage parents to participate in reading sessions with their children (reading to them, reading with them, listening to them and discussing).

Health and Wellbeing

Physical Education comes under the area of health and wellbeing. Healthy physical development is important for all children. We promote a healthy, open attitude to life, where exercise and fun go together, encouraging a better more health-conscious life style. We provide children with a minimum of 2 hours core PE per week. We adopt a Better Movers Better Thinkers approach to ensure PE skills are transferable.

Swimming lessons are offered to P5 for two terms each year. P6&P7 undertake Bikeability Training for levels 1 and 2. P7 participate in a residential outdoor activity week.

Our Health and Wellbeing programme is valued and is a core teaching area which incorporates healthy living, healthy eating, protective behaviours, massage, drug awareness, sex education, and personal safety, whilst being underpinned by the wellbeing indicators of Safe, Healthy, Achieving, Nurtured, Active, Respect, Responsible and Included. The materials are interesting for children and put their message across in a way which engages the child's attention and invites discussion and questions. Topics are dealt with in varying degrees of depth and each progressive stage, thus building up the child's knowledge and understanding of how we live and how to cope with the varying aspects of growing up in our society.

Sexual Health and Relationships

Sexual Health and Relationships Education is part of our Health Education Programme. The topics present facts in an objective, balanced, and sensitive manner within a framework of sound values and awareness of the law on sexual behaviour. All pupils will be encouraged to appreciate the value of a stable family life, parental responsibility in bringing up children and offering them security, stability and happiness, and the value placed on marriage by religious groups or others in Scottish society. All parents/guardians have the right to be informed about the contents of any sex education lesson and to discuss any issues with the Head Teacher or Health Education Coordinator. Parents/carers have the right to ask for their child to be removed from sex education lessons and offered alternative education.

Mathematics and numeracy

Much of our work in Maths is taught using active and interactive approaches. We use a variety of teaching methods and resources for teaching maths. We place great emphasis on our children learning basic number bonds, mental calculations and tables. These are done in an interactive way and are catered for at every stage of the child's mathematical development. Children are continually assessed from the first term of P1 and their mathematics programme planned accordingly. Our mathematics programme takes the child through a wide range of practical activities in money, time, measure, shape, position and movement and problem-solving. Information handling skills are being developed from P1 to P7. Whenever possible, these activities are linked to real-life situations so that pupils can relate what they are learning in school to actual contexts.

Technologies

Kirktonholme Primary is very fortunate to have the facility of an EBeam or C Touch to support our teaching and learning experiences in every class. We make very good use of assistive technologies to support our learners. Our learners benefit from the use of Chromebooks.

Parents/guardians and children in Kirktonholme Primary are asked to sign an internet agreement to abide by safe internet rules.

Sustainability

At Kirktonholme, our curriculum has a focus on Sustainability. Mr Constable teaches this every week in most classes. The children share their learning at our annual KOP conference. We make good use of our outdoor spaces, which includes a small wooded area.

Kirktonholme Waste Warriors

making stick men

Outdoor workshops with Wild Squirrel

Spiritual, social, moral and cultural values (Religious Observance)

At Kirktonholme Primary we have pupils with many different faiths and nationalities and as a non-denominational school we ensure that our RME programme does not promote one religion to the exclusion of other beliefs. We invite our pupils to engage in a 'time to reflect'. The school is supported by a chaplaincy team of

David Graham
Mahboob Masih

Baptist Church
West Mains Church

Rights of Parents / Carers

Scottish Government Ministers consider that Religious Observance complements Religious Education and is an important contribution to pupils' development. It should also have a role in promoting the ethos of a school by bringing pupils together and creating a sense of community.

There is a statutory provision for parents to withdraw children from participation in Religious Observance. This right of parents' wishes will be respected. Any request for a child to be withdrawn from Religious Observance should be made in writing to the Head Teacher.

Where a child is withdrawn from Religious Observance, schools will make suitable arrangements for the child to participate in a worthwhile alternative activity.

Equalities

Integral to this guidance is the principle of mutual respect. The diversity of belief and tradition provides an ideal context in which pupils can learn about, and so learn from, what is important in the lives of themselves and others. South Lanarkshire's guidance recognises and welcomes diversity and promotes respectful understanding.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted and the pupil noted as an authorised absentee in the register.

Our Christmas Nativity

Assessment and Tracking Progress

Throughout their school life, children are assessed regularly to monitor their progress. At Kirktonholme we assess our pupils to improve their learning. We follow the guidance given in Building the Curriculum 5.

Our pupils are informally assessed every day by their class teacher through observation, discussion and feedback, questioning and through the pupil's work. Teachers regularly evaluate pupils' progress in order to plan the next steps in learning. Pupils are expected to reflect upon their learning and engage in self assessment and setting of their own targets. These targets and children's learning journeys are shared with parents through our Home School Diaries.

We undertake some specific formal assessments at certain stages:

- 1 In Primary 1 we implement a programme of Early Intervention in line with government recommendations. We use the South Lanarkshire Literacy Toolkit as a screening programme to identify any potential areas of difficulty for our pupils and plan appropriate interventions to support learning.
- 2 In Primary 2 the pupils participate in the 'Quest Test'. These tests are administered by the class teachers. Children who score below a certain threshold are diagnostically assessed by our Specialist Support teacher to allow us to determine their area of difficulty and to provide a suitable programme of work for them.
- 3 Pupils will also participate in an annual standardised reading, spelling and numeracy test as this allows us to track and monitor the children's literacy and numeracy progress.
- 4 Pupils will complete end of level maths assessments.

We want to share with you on how your child's learning is progressing. Each term we have a Progress Week allowing staff to focus on the attainment of our pupils. Pupils will use a Progress Jotter. Three times a year pupils will take this home, along with a tracking report, to share their learning with their families. Families are encouraged to make comment in these books.

Teachers and Senior Management Team engage regularly in activities to ensure pupils remain on track with their learning and meet the milestones we expect of them. If required, interventions are put into place to allow pupils to 'get back on track.'

During P1, P4 and P7 our pupils will engage with the Scottish National Standardised Assessments, as this is a national requirement. In Scotland, pupils in P1, P4, P7 and S3 complete online standardised assessments in literacy and numeracy as part of their everyday learning and teaching. These assessments are one part of a 'suite of assessment tools' which teachers use to inform their professional judgements.

We also work collegiately with our colleagues in the Duncanrig Learning Community, to ensure we are sharing standards and setting the highest levels of attainment and achievement.

P7s showing off their Progress Jotters

Reporting to Parents

Kirktonholme Primary School recognises that good teamwork among parents, children and school is the key to a successful education for your child. Reporting will be ongoing and comprise of a range of activities which include children presenting their learning, newsletters, a written reports and ongoing oral discussions.

You can expect to receive two tracking reports over the year. In addition, we will provide parents with an end of year report detailing your child's progress, highlighting their successes, achievements and areas for development. There will also be two parents' meetings which offer you the opportunity to discuss how your child's progressing and how you can contact the school if you wish further information. The school will offer you an appointment time so that you can visit in person to discuss your child's education. Our Parents' Evenings are usually held in November and March of each year. You can of course contact the school at anytime if you wish further information.

Our 'learner reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give. You will also find your child's targets in their progress jotters which is shared with you three times a year.

Each session we hold a "Meet the Teacher" which gives parents the opportunity to hear first hand from the class teacher about different aspects of school life and specifically the classroom management and organisation. There is also a curriculum focus in each newsletter to keep parents up to date. Most classes organise an Open Afternoon which gives parents the opportunity to visit the classroom with their children, see the children's work and talk briefly to the teacher. We also host come and learn with me events.

We are constantly striving to improve communication links between home and school. We use our Google Classrooms to share homework information as well as details of any achievements. At Kirktonholme our children will also write their own school report, reflecting on their learning journey. These will be issued to you with their teacher's report.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

"End of year reports show what you've done and what you need to do next year but in a positive way."

Sharing our learning with our parents

Enrolment – how to register your child for school

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school

If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation.

Proof of where the child lives may also be needed.

If your child is due to start school in August 2026, you can enrol online from Monday 5 January 2026. Your catchment school will contact you between Monday 12 and Friday 16 January 2026 to confirm your enrolment.

If your child attends the nursery of your catchment school, please do not assume that they will automatically be transferred. You must register them as normal at the school that is in the catchment area for your home address.

If parents want their child to go to another school, they must enrol in the first instance with their catchment school and intimate that they wish to make a placing request. An online placing request form should then be completed. This is available from the SLC website – www.southlanarkshire.gov.uk or by contacting edsuppserv.helpline@southlanarkshire.gov.uk or phone **0303 123 1023**.

Enrolment date for 2026 is week commencing 5 January 2026.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school, then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move out with your catchment primary school a 'request to remain form' must be completed. If you move out with your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on edsuppserv.helpline@southlanarkshire.gov.uk or **0303 123 1023**.

Transitions

Kirktonholme Primary is part of the Duncanrig Secondary Learning Community.

Transition from primary to secondary school

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time on events designed to support P7 children before they move on to secondary school.

Getting It Right For Every Child "GIRFEC"

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on:

www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

In Kirktonholme Primary we are committed to the key principles of Getting It Right for Every Child (Scottish Government, 2004) and we use a staged intervention approach when engaging with children and their needs. The needs of our pupils may vary throughout the course of the school year or may include longer term needs. Pupils in our school are supported in their learning by their class teachers, who plan and prepare appropriate learning activities for their class.

If, however, a class teacher believes a pupil may require additional support, including 'more able pupils', a staged intervention process would begin and class teachers would consult with our ASN coordinator and agree strategies to employ to support the child and their learning. The intervention and support are monitored and reviewed and if additional assistance is still required our Additional Needs Coordinator, Mrs Samantha Souter, will progress the intervention onto the second stage. The second stage may include support from Specialist Support teachers and Psychological Services. At this stage, pupils may have an Additional Support Plan.

At all stages, communication with the child's family is vital to work in partnership to support the pupil and to ensure we are meeting their needs.

An Additional Support Plan may be created detailing a suitable programme of work tailored to the child's needs. This may involve consultation time with our Additional Support teacher, Educational Psychologist or other agencies. When there are a number of agencies involved, including other professions, pupils may require a Co-ordinated Support Plan.

Emotional Support

In Kirktonholme our children's emotional well being is of great importance to us. We have a system in place for children who are experiencing emotional difficulties eg feeling isolated in the playground. Children request a meeting through our "Listen to Me" box and our Additional Support Coordinator, Mrs Souter, will arrange a meeting with them and provide a listening ear. Every child participates in our Bounce Back programme which has been established to develop resilience in our pupils.

Sketchnote on Kirktonholme's emotional supports

Support for All (Additional Support Needs)

Parental support

South Lanarkshire Education Resources have published a series of leaflets available which cover information for parents and carers about the Additional Support for Learning Acts.

Leaflets include

The Additional Support for Learning Act
Planning for Learning – ASP
Transitions
Inclusive Education
Visual Impairment Support
Independent Adjudication
Information for Parents and Carers about moving on from school.

Requesting an Assessment
Planning for Learning – CSP
Future Planning
ICT Assessment
Early Years Specialist Support

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Phone Helpline: 0345 123 2303

Address : Enquire
Children in Scotland
Rosebery House
9 Haymarket Terrace
Edinburgh
EH12 5EZ

Email Enquiry service: info@enquire.org.uk

Advice and information is also available at www.enquire.org.uk

Enquire provides a range of clear and easy-to-read guides and fact sheets including The parents' guide to additional support for learning.

If you would like to order our leaflets, postcards or guides, please contact us on info@enquire.org.uk

Attachment Strategy

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What does it set out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this can inform the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

Kirktonholme have achieved accreditation for five of the attachment pledges –

Act to make a difference See the Whole Person Respond with compassion
Hear their voice Recognise behaviour as communication

South Lanarkshire Council's Attachment Pledges

Promoting Positive Relationships and Understanding Distressed Behaviour (PPRUDB)

PPRUDB is South Lanarkshire's framework for understanding and managing behaviour in schools. It emphasises that all behaviour is a form of communication, often indicating unmet needs, and stresses the importance of building positive relationships as a fundamental skill for teachers and a preventive approach to distressed behaviour. The guidance aligns with key Scottish Government policies and legislation and supports the development of safe, inclusive, and nurturing school environments.

Children and young people who feel safe, healthy, respected, and included are more likely to develop self-confidence and resilience. South Lanarkshire Council's attachment-informed, trauma-sensitive approach, aims to create a secure base and safe haven to reduce the impact of adverse childhood experiences. School staff recognise that distressed behaviour can stem from disrupted attachment, anxiety, and other complex needs, including neurodevelopmental conditions and limited communication skills.

When incidents of distressed behaviour arise in schools, staff will use a range of strategies to de-escalate situations and prevent re-occurrence. Strategies include structuring the environment with consistent routines and quiet areas, adapting communication to accommodate speech and sensory needs, and building positive relationships based on shared values. Setting clear limits with dignity, active listening, and inclusive teaching practices support behaviour management. Planning for transitions and using support plans like Additional Support Plans (ASPs) and Behaviour Assessment and Support Plans (BASPs) assist in addressing individual needs.

Each educational establishment should use the PPRUDB framework to develop and implement a relationships and behaviour policy through consultation with staff, pupils, and parents, reviewing it every three years.

Further information is available from the Headteacher of the establishment your child attends.

Our children presented at the SLC Hear Our Voice conference

School Achievements

Kirktonholme Primary in line with all schools in South Lanarkshire is involved in a three-year cycle of Improvement Planning. This involves staff, pupils and parents working together to identify priorities for school improvement.

Here are some of our outstanding school achievements from last session 2024/25

- ✚ Attendance rate for 24/25 remains constant at 94.2%
- ✚ KPS learners consistently achieve higher than the National and South Lanarkshire levels in all areas – Reading, Writing, Listening and Talking and Numeracy.
- ✚ We achieved four attachment accreditation pledges.
- ✚ Our Nurture provision supported 25 learners
- ✚ Education Scotland endorsed our school and its practices and we achieved
 - Leadership of Change Very good
 - Learning Teaching & Assessment Good
 - Ensuring Wellbeing, Equality & Inclusion Very good
 - Raising Attainment & Achievement Very Good

Education Scotland found the following strengths in our school:

The very effective strategic leadership of the headteacher who empowers children and teachers to lead change across the school.

The high levels of care, respect and nurture that senior leaders and all staff demonstrate to children and their families. This enables them to meet children's wellbeing needs very well.

The highly inclusive learning environments that staff create in the school and nursery. This supports children well to be respectful, supportive and motivated learners who are very proud of their school and nursery.

The sustained high levels of children's attainment and achievement. Senior leaders and staff have a clear strategy in place to raise children's attainment further.

KPS Achievements

In addition to our planned areas of improvement, we have achieved the following successes

- ♥ Very successful visit from Education Scotland
- ♥ Another £967.28 raised for Kilbryde Hospice
- ♥ Achieved Eco Schools Green Flag
- ♥ Jumpstart Jonny made his third visit to KPS
- ♥ Shared our attendance projects at local and national conferences
- ♥ KPS Superheroes are the face of the SLC Attendance Campaign
- ♥ Shared our sustainability practice at multi-authority conference
- ♥ Outstanding Beauty & the Beast show performed by P6&P7
- ♥ P6 & P7 participated in level 1 & 2 Bikeability
- ♥ Participation in inter schools football, netball & athletics competitions and won the East Kilbride football tournament
- ♥ Hosted our first Wonder Day where pupils led their own learning
- ♥ All classes had an inquiry approach to a Global Goals & Sustainability project
- ♥ Sponsored Silent Disco fundraiser event raised over £5000
- ♥ Our nursery class hosted their first film premier
- ♥ P4 performed at a Dance festival under the leadership from a P7 pupil.
- ♥ All classes were funded by the Parent Council to go on a school trip.

More detailed information on our attainment and achievement can be found in our Standard and Qualities Report 2024/25. This is accessible from our website, or by asking for a copy at our school office.

Some of our previous achievements include working collaboratively with Family School Groups and achieving the first Digital Schools Award in South Lanarkshire Council.

School Improvement Plan

Based on our self-evaluation and a Strengths, Weaknesses, Opportunities and Threat consultation with the whole school, we have created a 3 three strategic plan.

KPS Drivers	23-24	24-25	25-26
Ethos	Nurture  The Treehouse	Nurture  Relationships Policy	Nurture  Evaluate
Curriculum	Reading 	Diversity 	Family learning & homework 
Pedagogy	Questioning 	Inquiry based learning 	Digital Technology AI 
Learning Community or nursery	Transitions 	Transition P7-S1: Literacy & Diversity Project  Target setting in ELC 	Transitions 
Pupil Equity Funding	 *Nurture	 *Nurture, Reading	 *sustainable nurture

School Priorities for 2025/26

We are always striving at ways to make our school even better and by listening to our pupils, parents and staff and taking direction from the Scottish Government, we have identified some new priorities for our school to focus on. This year our school will be focusing on:

Diversity 	Inquiry based learning 	Digital Technology AI 
UNCRC 42, 29, 30 Respect & Teamwork	UNCRC 29,31 Happiness, Excellence & Achievement	UNCRC 13,17,28,23 Excellence, Achievement & Teamwork
<ul style="list-style-type: none"> Understanding our equalities data Celebrate diversity within our school & ELC with Diveristy showcase Audit & refine our curriculum offer 	<ul style="list-style-type: none"> Staff training Implement IBL approach (links to diversity & rights) Peer School Review - sharing practices Refining play approach 	<ul style="list-style-type: none"> Expand our IT equipment Staff training Pupil training - Sumdog, Read & Write Parent workshop

The plan is created and discussed with the Parent Council and progress updates are shared with all parents in monthly newsletters. A copy of the School Improvement Plan is available upon request at the school office and can be found on our website.

Pupil Equity Funding

Pupil Equity Funding

Through consultation with our community, it was agreed that we could have the greatest impact on the poverty related attainment gap, by using the funding to provide an additional teacher (2 days a week). This member of staff has undertaken Nurture training, created a new Nurture space within our school and provides semi-classic Nurture groups to support the wellbeing and readiness to learn for some of our children in P3-P6. An additional proportion of funding was allocated to an Expressive Arts project at P6.

Participatory Budget

Our children and families have an opportunity to express their views on the school spending plan. Our Pupil Council decided upon five areas of spend for this year based on the areas they feel are needed.

Our Pupil Council organise voting counters for our whole community to decide upon how to spend this budget. This year, the community chose to spend the participatory budget on ICT equipment to support learning and teaching. Previous budgets have been used to fund school trips. As a result, all children visited the Science Centre and a museum or place of interest in connection to one of their projects.

The Treehouse (our new nurture space)

Outdoor Sculpture Project with P6 & Alex Allan

We have a Cost of the School Day policy which can be accessed on our website.

School policies and practical information

School Meals

Nursery

All children (over two years old) attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment.

Primary pupils

Healthy eating is something that the school supports, and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

All primary schools run a Breakfast service from 8.15am to 8.45am with pupils being offered a selection of toast, cereal or fruit along with a cup of milk.

For their lunch each day pupils have the option to choose from two hot meal options (one being vegetarian option) plus a sandwich selection everyday. All meals also come with fresh chilled drinking water, vegetable choice, salad selection, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

Primary 1 - 5 receive a free school lunch.

Primary 6 - 7 meal cost is £2.62

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

NB School Meal prices are reviewed annually and may be subject to change

Adapted diets

If your child within Nursery, Primary or Secondary requires an adapted diet for medical reasons please speak to the school/nursery office who will provide the request form for you to complete. In addition, if you have a halal or vegan diet request for your child, please speak to the school office who will provide you with a request form.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child:

- Income Support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance

- Scottish Child Payment (P6 and P7 pupils)
- Support under Part VI of the Immigration and Asylum Act 1999
- Universal Credit (and your earned income is less than £850 as assessed by the Department for Work and Pensions in the assessment period immediately preceding the application for free school meals)

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P6 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place to ensure anonymity is protected of children who receive free meals and we encourage all children to remain in school at lunch time.

Further information can be found at [Free school meals - South Lanarkshire Council](#) or by accessing the QR below -

At Kirktonholme Primary, we offer a free Breakfast service. The service runs from 8.15am to 8.45am each school day and doors open at 8.05am. Children should enter via the dining room door at the playground. All children attending **must** have a breakfast – weetabix or toast are on offer.

Allergies

Allergies

Many children in our schools have allergies, and it is crucial for parents to keep the school informed about these conditions.

Health Care Plans

- Allergies can manifest at any time with symptoms ranging from mild to severe.
- Children with moderate to severe allergies often have a Health Care Plan from the NHS, detailing symptoms and interventions.
- Parents must share this plan with the school and provide updates as necessary.

Mild Symptoms

- Even without a Health Care Plan, parents should regularly update the school on any new triggers, medications, or actions required.

Employee Training

- School staff need to know your child's symptoms, treatments, and actions required to prevent exposure and minimise the risk of reactions.
- Employees receive training on allergies and will consult with parents and the NHS for any additional specialist training needed.

Policy Adherence

- In supporting children and young people with allergies, school staff will follow South Lanarkshire Council's Safe Systems of Work, risk assessment process, and national guidance on the administration of medicines.

Mobile Phone Policy

Mobile Device Policy

Our school follows South Lanarkshire Council guidance on mobile device use, which is rooted in Scottish Government policy. Mobile technology can support learning and communication, but it can also disrupt lessons and affect wellbeing if misused. To maintain a safe, respectful, and inclusive learning environment, pupils are expected to use mobile devices responsibly and in line with school rules.

Devices should not be used during class unless specifically permitted for learning purposes.

Mobile Phone Policy September 2024

As a school we recognise that many parents have provided their children with a mobile phone to help ensure their safety and wellbeing by keeping in touch with their family when they are out with school.

However, as you will appreciate the use of mobile phones is not permitted in the school either in the classroom or playground area during the day.

We want to make sure that everyone is aware of the rules and therefore if a parent wishes their child to bring a phone with them to school, they are asked to note the guidance below. Parents are also asked to sign the agreement form below via Google Forms.

Policy Conditions

1. The mobile phone is always the responsibility of the pupil. The Council's insurance policy does not cover any damage or theft that may occur.
2. Pupils are not permitted to use the phone during the school day.
3. Mobiles must be turned off before entering the school grounds and remain off and in a schoolbag until after the pupil has left the school grounds at home time.
4. The mobile phone must always remain in the pupil's bag throughout the day.
5. If a pupil is found to have breached the conditions, their phone will be sent to the school office, and the parent or carer will be required to collect the phone from the school.
6. Mobile phones should not be used at Breakfast Club.
7. Any breach of the agreement will result in the pupil being prohibited from bringing a phone onto the school premises.

Smart Watches

Smart Watches should be turned onto school mode, if available. No photos or videos can be taken in school grounds. Any breach of this will result in the pupil being prohibited from having a smart watch in school.

The policy has been developed in consultation with pupils, parents, and staff to balance the benefits of technology with the need to minimise distractions and protect privacy. We ask parents to support this approach by reinforcing responsible use at home and ensuring that devices are used appropriately.

School uniform

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

At Kirktonholme, all new children are gifted with a school tie courtesy of our Parent Council. Uniform items with the school logo, such as polo shirts, sweatshirts and fleeces are available to order from the Blossoms or Academy Uniforms. Kirktonholme Primary pupils are encouraged to wear grey skirts, trousers or pinafores and blue shirts/polo shirts. These items are widely available to purchase. All pupils require black gym shoes. **Free uniforms** can also be found in our Swap Shop, situated at the main entrance or at Hunter House café.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so
- footwear that may damage flooring.

You will find an uniform swap shop at our main entrance. Please help us recycle school uniforms by taking what you need.

Support for parent/carers

Clothing grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear. This also now includes nursery children aged 3 and 4 years old.

Eligibility criteria and online applications can be found at www.southlanarkshire.gov.uk.

Or via this link [Clothing grants - South Lanarkshire Council](#)

Should you require further information, or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

Transport

School transport

South Lanarkshire Council's mainstream school transport policy provides transport for primary school pupils who live one mile or more from their catchment primary school by the shortest safe walking route.

More details on school transport can be found at the following link including the online application form:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/545/school_transport

If you consider your child to be eligible you should complete the online application form. Forms should be submitted before the end of March for those pupils starting school in August to enable the appropriate arrangements to be made.

A privilege transport scheme is operated on mainstream school contracts where a pupil is not entitled to school transport. Privilege Transport will only be provided where there is a space on an existing school contract and will be from and to designated pick-up and drop-off points. It will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities.

A new application must be made each year.

More details on Privilege school transport may be found here:

https://www.southlanarkshire.gov.uk/info/200186/primary_school_information/784/privilege_transport_to_school

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in and alighting from the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Mainstream School Transport contact details:

e-mail: school_transport@southlanarkshire.gov.uk tel: 0303 123 1023

Insurance for schools – pupils' personal effects

Insurance for Pupils' Personal Effects

South Lanarkshire Council has noted an increase in claims for loss or damage to pupils' clothing and personal effects. Please be aware of the Council's insurance policy regarding pupils' personal items:

Insurance for Pupils' Personal Belongings

Personal Items

- The Council cannot accept responsibility for the loss or theft of personal belongings, including mobile phones, tablets, or other valuables. These are brought to school at the pupil's and parents' own risk.
- To reduce the chance of loss, please avoid sending expensive or unnecessary items to school.
- School staff are not permitted to look after pupils' personal belongings.
- This policy also applies to musical instruments and equipment used for school activities. If these items are left at school, it is at the pupil's and parents' own risk.
- For valuable items such as musical instruments, parents should make sure they are covered by their own household insurance.

Clothing

- The Council will only consider claims for damage to pupils' clothing if the damage was caused by negligence on the part of the Council or its employees.
- Claims for any other reason cannot be accepted by the Council's insurers.

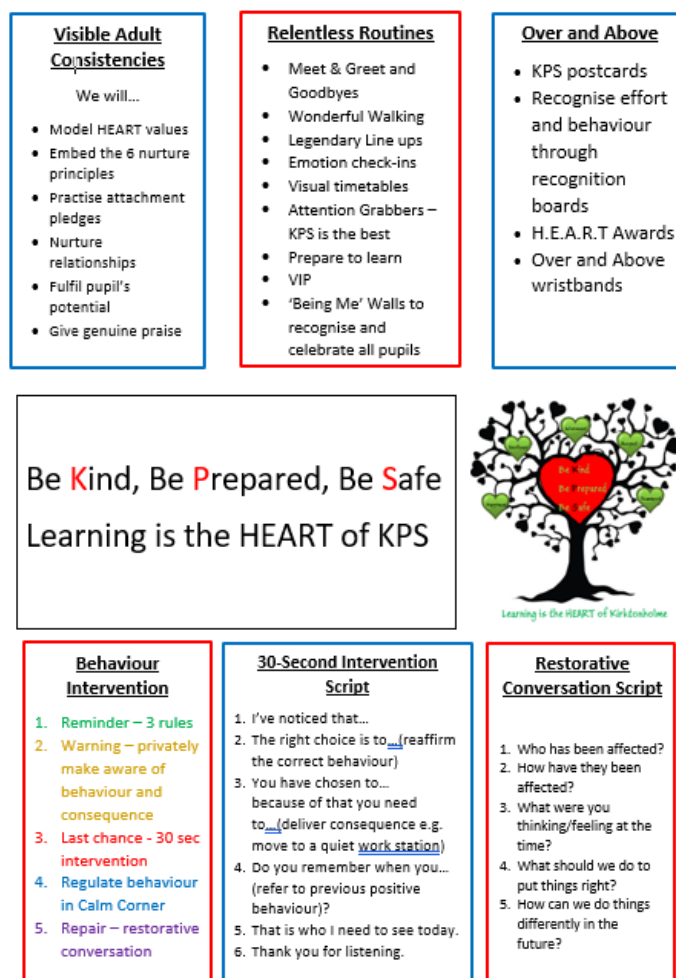

Promoting Positive Behaviour

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

KPS Relationships Blueprint

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course “Child Protection in Education”.

South Lanarkshire’s children’s services partnership works together to support children, young people and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are “*cared for and protected from abuse and harm in a safe environment in which their rights are respected*” (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information; or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee’s website has a range of useful information for parents/carers to help them keep their children www.childprotectionsouthlanarkshire.org.uk

Keeping Safe online

The Council has produced an information leaflet – ‘stay safe’ for parents/carers on how to help ensure their child is safe when using the internet and mobile devices.

Copies are available from the school or the web: www.southlanarkshire.gov.uk

Our Commitment to Children’s Rights

In line with the United Nations Convention on the Rights of the Child (UNCRC), our school is committed to respecting and promoting every child’s rights. We believe that children have the right to express their views on matters that affect them, and we will actively listen and take these views into account when making decisions.

To achieve this, we will:

- Create opportunities for pupils to share their opinions through class discussions, pupil councils, and consultation activities.
- Ensure that decisions about school policies and practices consider the voice of the child.
- Promote an inclusive, rights-respecting environment where every child feels valued and heard.

This approach supports our aim to empower learners, strengthen partnerships with families, and uphold equality and participation for all.

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school.

Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people and adult learners in South Lanarkshire. In order to do this we need to collect personal information about children, young people and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment

When you enrol for a nursery or school, we ask for the following information:

- parent/carer contact details (name, address, phone, email);
- the child's name, date of birth, gender and address;
- information about medical conditions, additional support needs, religion and ethnicity;
- any information you may wish to provide about family circumstances.

Information we collect at other times

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

- If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above. We will also ask for information about your income for education benefits applications.
- If you make a request for additional support such as an educational psychologist or other support for learning we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.

- If there are concerns about your child's wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

- exam results and assessment information;
- information about health, wellbeing or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

- for the education of children, young people and adult learners;
- for teaching, enrolment and assessment purposes and to monitor the educational progress of children, young people and adult learners ;
- to keep children and young people safe and provide guidance services in school;
- to identify where additional support is needed to help children, young people and adult learners with their learning;
- to maintain records of attendance, absence and behaviour of children and young people (including exclusions);
- to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;
- to help us develop and improve education services provided for young people, adult learners or families
- In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

- The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland and other organisations that support children and young people's learning;
- Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social work in connection with any child protection concerns we become aware of;
- The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland Act 1978);
- South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities;
- Other schools/local authorities – if a child moves or transfers to another school the Council

has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

(https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.

The Freedom of Information (Scotland) Act 2002

The Freedom of Information (Scotland) Act 2002 came into force on 1 January 2005 and gives a person the right to request information held by Scottish public authorities.

The act refers to information held in a 'recordable' format and relates to information held within documents, not the documents themselves.

Parents wishing to make a request for information under the terms of the Freedom of Information (Scotland) Act 2002 should submit their request in writing to:

Freedom of Information Officer
Education Resources
South Lanarkshire Council
Council Offices, Almada Street,
Hamilton, ML3 0AA

Or email: foi.request@southlanarkshire.gov.uk

Requests for information can also be submitted using the online form available from the South Lanarkshire Council website (Request it section) (www.southlanarkshire.gov.uk)
