

A warm welcome back to school. We are very excited about the year ahead of us. Please find below the key information you and your family will need.

We work very hard at being a friendly and welcoming school so please don't be shy in coming to speak to us if you are unsure of anything or if you just fancy a blether!

Lunch is free for P1-P5. Please still apply if you think you are entitled to Free School Meals as this enables other supports. P6 & P7 lunch costs £2.71. Lunches should be paid for on Parent Pay. New menu starts on Monday 24th August.

Water only for the classroom. Juice is not allowed.

Healthy snacks
A piece of fruit is best for playtime. One snack only is sufficient

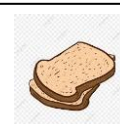

Name all uniform items. Shirts & tops should be blue. School uniform only.

Playground is supervised from 8.45. Please dress appropriately for the weather. If the rain is torrential, we will operate our wet weather procedures. P4-P7 go to the gym and P1-3 to the dining room from 8.45am

Our car park is **drop off** only. The only parking allowed is for staff, nursery parents and blue badge holders.

Breakfast Club is open from 8.05-8.45 If you are able to volunteer as a helper please get in touch with the office. No preregistration is required. Toast or cereal is available and a breakfast **MUST** be eaten.

Please make any packed lunch a healthy one. No fizzy juice is allowed.

We are allergy aware and a NUT free school. **Please do NOT give your child Nutella and Bueno bars** as this triggers allergic reactions.

Blue badge holders only may park in disabled bays. Please send any new blue badge details to the school office.

At drop off and pick up time, parents should remain at the back of the playground to allow for the safe supervision of all children. Thank you.

Communication
Unfortunately we no longer have use of the school app as the company has gone out of business. Our main source of communication is the Parent Portal. Please make sure you are signed up for this and our office team can help if needed. We issue our school newsletter on the first day of every month and this is the best way to keep in touch with what's happening in school. Families can also join the Parent Council's Facebook page.

Sorry no dogs, smoking or vaping are allowed in the playground. 🚫

😊 School starts at 8.55 😊
Please **DO NOT** be late as this disrupts and unsettles your child. We will continue to have a focus on late comings this year.

Our trim trail is still out of bounds and will be fixed soon. Please **DO NOT** use.

Kirktonholme Primary School and Early Learning Class

Parent Guide August 2026

Who's who?

Our Leadership Visionaries

Mrs Wright (Second Level P5 & P6)
Mrs Clow (Early Level ELC & P1)
