Week 3

Virtual Assembly

We held our first virtual assembly this week and it was a huge success. We were able to link all classes together and celebrate the successes of our school. It was lovely to recognise the number of children who have been demonstrating good manners across the week. We will be continuing this next week. As we keep saying ... Manners cost nothing.

Adults in the Playground

Can I remind you that South Lanarkshire Council are not permitting parents to enter the playground for any reasons. Over the last week we have become aware of parents not supporting this.

Teachers are also not able to talk to parents each night, we are asked to be following 2m physical distancing rules. Please contact the school office via telephone or email and someone will call you back.

Car Parking

I have been asked by a few parents to remind those who drop off and collect their children from school not to be using the 'drop off area' as a car park. In this area cars should not be parked in this area. Your children's safety is of paramount concern. Thank you for your support with this.
