

Kirkton Primary School Weekly Notices

Week Beginning Monday 9th November 2020

Lunch Menu
Week 2

Thank You

Things are different for us all just now. As a school we will try to get things back to normal, however at this time the safety of all children and adults is of paramount importance. Thank you to everyone who has enquired about our health and well being and shown us patience and understanding as we work through the new advice and guidance.

If you have any questions please contact us via 01555 772466 or gw14kirktonpsoffice@glow.sch.uk

Parent Consultations

If you missed your Parent Consultation telephone call, please contact the school office and we will be able to rearrange this for you at a mutually convenient time.

In-Service Day

Monday 16th November is an In-Service Day for staff. Pupils are not in school on this day.

As we are in Level 3 Covid Restrictions, the advice continues to be to work at home if you can. Almost all staff will be working at home on this day.

Updated Guidance from Scottish Government

Scottish Government published further guidance for schools on 30th October 2020. Included within this was the need to keep pupils in their groups and bubbles where possible. Following this advice, from Monday, pupils will be sitting in their groups in class and with the same pupils in the cafeteria. This is in order to keep all pupils and staff safe and to limit the number of individuals needing to self-isolate should there be a positive case within the school.
