Anti-Bullying Week

Week beginning Monday 16th November is Anti-Bullying week in Scotland.

This will be the focus on our Health & Wellbeing sessions for the week.

On Tuesday pupils are invited to come to school wearing odd socks to recognise and celebrate our unique qualities. More information can be found at

Flu Immunisation

Colleagues from NHS Scotland will be in school on Thursday 19th November to implement the flu immunisation programme for our pupils. A catch up date has been arranged for December and information will be sent separately if children are absent on the day.

Permission forms and information regarding this was sent out at the beginning of the year.

Whilst we cannot answer any queries, we are happy to pass them onto the team.

In-Service Day

Monday 16th November is an In-Service Day for staff. Pupils are not in school on this day.

As we are in Level 3 Covid Restrictions, the advice continues to be to work at home if you can. Almost all staff will be working at home on this day.
