

Kirkton Primary School Weekly Notices

Week Beginning Monday 30th November 2020

Lunch Menu
Week 2

12 Days of Giving

Thank you so much for the generosity shown to date. Mrs McKenna has already made 2 trips to the Food Bank and we have at least another 10 more boxes to be delivered – we are only on day 8.

12 Days of Fun

We are continuing to look for materials for upcycling day, natural materials such as twigs, pine cones etc. for natural materials as well as any unused Christmas Decorations.

Christmas Tree

Our Christmas Tree has now been set up in the school hall. We would love all our children and staff to bring in a bauble to hang on the tree.

Covid Alert Level 4

As you are aware, South Lanarkshire Council remains within Covid Alert Level 4. Within school, this means children who have been identified as 'Shielding' by their Doctor or other healthcare professional should not attend school. All PE will continue to only take place outside, parents should ensure their child is dressed appropriately for the weather of the day, including hats and gloves. As no one is allowed to meet anyone indoors, this also includes meetings with school staff which will continue to be via Google Meet.

If you have any questions please contact us via 01555 772466 or gw14kirktonpsoffice@glow.sch.uk

Our Safety Measures

- Soft start each morning.
- Staggered playtimes and lunchtimes
- Classes each have a line order, seating plan and canteen plan. Pupils sit in the same seat and beside the same person at lunchtime.
- Regular handwashing and sanitising throughout the days.
- Resources are cleaned and/or quarantined for 72 hours
- Doors are kept open and high density touch points are cleaned regularly throughout the day.
- All surfaces are cleaned with our electrostatic spray each Friday.

Please download the app to keep up to date with what's happening.
