Annual School Reports.

We are in the process of finalising the annual school reports for session n 2020/21. We hope to send these home on Thursday 1st April 2021

Welcome Back

It has been so lovely to have our all our children back. The school has been full of life this week which has been brilliant. The children have all settled back into class with their friends and school staff.

Just a wee reminder we will not be issuing any formal home work until after the Easter holidays.

Breakfast Club

Thank you to everyone who completed our breakfast club form. We are awaiting further information from South Lanarkshire Council and we be in touch when details have been finalised.
