

# Kirkton Primary School Weekly Notices

## Week Beginning Monday 8<sup>th</sup> March 2021

Lunch Menu  
Week 1

### Ventilation Plan

The current COVID secure arrangements include a ventilation plan where the windows around the school should remain open as much as possible to allow a constant air flow. This results in the air in a room being refreshed regularly and, in turn, reduces the risk of infections. We have put in place a winter ventilation plan at Kirkton Primary which includes:

- Where possible, external windows should be open provided that a minimum temperature of 17°C is maintained.
- If the temperature is below 17°C, external windows will be closed.
- Windows will be opened in a room when not being used (e.g. playtime and lunchtime, during PE lessons etc.)
- Internal windows and doors will remain open at all times

We recommend all children come to school wearing a long sleeved cardigan or jumper.

### Welcome Back

It has been so lovely to have our Primary 1 – 3 pupils back. They have all settled back into school really well.

We will not be issuing any formal home work until after the Easter holidays.

We know the shops are closed just now for all but essential items, but some children have out grown their gym shoes, therefore until the shops reopen we would be grateful if you could send in any alternatives – they do not need to be gym shoes.

If you have any questions please contact us via 01555 772466 or [gw14kirktonpsoffice@glow.sch.uk](mailto:gw14kirktonpsoffice@glow.sch.uk)

### New email addresses or Phone Number

Just a wee reminder that if you change email address or phone number can you let us know. The idea way to do this is by emailing the office via the details below.

Please be aware the app is our main method of communication, with this you can set alerts to receive notifications for specific classes or groups.

Please download 'School App for Parents' via your app store and search for Kirkton Primary School. If you require any help, please call or email the school office.

Please download the app to keep up to date with what's happening.
