

Kirklandpark Primary Parent Council

Parents as Partners

Who We Are

A group of parents who volunteer to work with the school to provide support, promote communication and represent the views of parents and carers.

Our Role

We exist to enhance the educational experience and well-being of all pupils at Kirklandpark Primary by...

- Supporting the school in its work with pupils and parents
- Representing the views of parents and carers
- Promoting contact and communication between the school, parents, pupils, community, nursery and others
- Reporting to parents and carers
- Supporting parents and carers

Our Vision

To create a parent body that is approachable and takes initiative in order to best represent all parents and carers, and best support the staff and pupils of Kirklandpark Primary.

Our Values

Open hearts, Open minds, Open doors.

Like the school motto the parent council will be open to suggestions and communications from parents, carers and the school body.

We invite parents, carers and staff to join us at meetings and to contribute actively to the projects set out by the council.

At the heart of the parent council is the children. We will work to support the school in making their learning experience the best possible experience it can be.

Activities

Conducting surveys

To better understand the views of parents and carers.

Developing parent engagement activities

Annually during anti-bullying week.
