Date: **18 November 2024**

Dear Parent/Carer,

Primary 7 Enhanced Transition

An enhanced transition is offered to several Primary 7 pupils who we feel would benefit from some extra opportunities to support their transition from primary to secondary school. The benefits of participating in this programme are:

- Increased familiarity with the layout of the school
- An opportunity to get to know the staff in the ASN department prior to moving into S1
- Further opportunities to ask questions that children may not wish to ask in their wider class groups
- Increased confidence as they have an increased awareness of 'what to expect'

We think EM would benefit from participation in this programme and would like to invite her to take part.

Strathaven Academy have been in touch with us to share the arrangements for one of their enhanced transition activities. They would like to invite EM to visit Strathaven Academy on the following dates to work with Mrs AS and the Support for Learning team over the next couple of months. She will be introduced to the Learning Zone, take a tour of the school and work on some transition and nurture activities.

The visits will take place on the following dates and times.

Thursday 21st November 2024 10:00am – 11:00am

Thursday 28th November 2024 10:00am – 11:00am

Thursday 30th January 2024 10:00am – 11:00am

Thursday 6th February 2024 10:00am – 11:00am

Please complete the EV5 form attached and return this to the school before **Wednesday 20th November 2024**, if you wish your child to attend this session.

Miss Hamilton (DHT Strathaven Academy) would like us to share your contact details for them to arrange a meeting with you at Strathaven Academy. Please complete the statement below.

Please do/do not (delete where appropriate) share my contact details with Strathaven Academy.

Yours sincerely

Alan Hepburn
