Dear Parent/Carer,

You are invited to take part in our 6-week Parent Learning Programme, You+Me. The programme will take place in Kirklandpark Primary School from 9.30am-10.30am for 6 consecutive weeks. We will begin on Wednesday 23rd October and finish on Wednesday 27th November.

These workshops are a fun, interactive way to help develop your numeracy skills, tools and strategies in order for you to help support your child's learning at home. The sessions are developed to help support any fears around numeracy and maths whilst supporting and increasing number confidence and growth mindset. At the end of each session, your child will be invited to play the games and strategies discussed.

The workshops are informal and there will be no expectation for you to answer questions or be put 'on the spot'. They will help support counting, structure of numbers and give hints and tips to help your child with addition, subtraction, multiplication and division.

There will of course, be time for a cuppa, cake and blether as well!

Mrs Lisa Burns and Mrs Lorna Lee (Class Teachers) will be holding the sessions in the school and would love for you to come along to participate.

Please complete the tear off slip below if you would like to attend the sessions. We look forward to seeing you there!

Thank you,

L.Burns and L.Lee
