

A national teaching and learning resource for Relationships, Sexual Health and Parenthood (RSHP) education

<https://rshp.scot>

Welcome

This information session is about what we do in a part of our Health and Wellbeing curriculum that we call *Relationships, Sexual Health and Parenthood (RSHP)* education.

Kirklandpark following SLC advice have decided to use a new national resource that you can see at <https://rshp.scot/>

Our RSHP curriculum has been in place for some years, it is part of Curriculum for Excellence. This is a new resource, designed to help us to deliver the existing RSHP curriculum.

What is the resource?

www.rshp.scot
admin@rshp.scot

- A teacher or early years practitioner can use the resource to support teaching and learning.
- All content is age and stage appropriate for learners 3-18 years, organised by Curriculum for Excellence Levels, from Early Level through to Senior Phase.
- It can be used in formal and informal learning settings.
- Content is up-to-date and engaging and meets the needs of learners with additional support needs, including mild to moderate learning disabilities.

Why has it been developed?

- There is a need to improve the quality, relevance, consistency and coverage of RSHP education.
- We need to deliver RSHP education that helps protect children and young people from harm and supports them to understand that friendships and personal relationships should be healthy, happy and safe.
- The resource helps teachers to source material that is age and stage appropriate, so that they can focus on building relationships with learners.
- We need our RSHP education to reflect a modern and inclusive Scotland where we value and respect the human rights of everyone.

Is the RSHP resource age and stage appropriate?

What do we do at Early Level?

When it comes to **families and friendships**, children learn:

- That all our families are different, and that people who are important to the children provide care and love.
- How to make and keep friendships, thinking about how they get along with other children, play together, co-operate and share. This can include learning about personal space and to recognise and respect how another person is feeling.
- About the importance of kindness and showing kindness to others.

When it comes to **every child being unique and special** children learn:

- That people are individual and unique.
- About the similarities and differences among children in their group.
- To understand that treating someone badly based on a difference is not okay.

What do we do at Early Level?

When it comes to **their bodies**, children learn about:

- Names for parts of their body – and that parts of their body are private.
- Keeping clean and why this is important – learning about hand washing and brushing teeth.

When it comes to **feelings and making choices** children learn:

- To recognise and express their feelings, including when they might feel safe or unsafe, happy or worried.
- To identify adults that they can go to if they have a question or a worry, introducing the idea of trust.

When it comes to **looking after them and other living things** children learn about:

- Where living things come from.
- The needs of plants, animals and babies.
- That there are professional people who help and care for them

Information for parents and carers about RSH learning at Early Level at school and at home: <https://rshp.scot/early-level/>

What do we do at First Level?

When it comes to **relationships** children learn about:

- What makes them unique
- Families, and how all our families are different
- The different adults who might care for children – like teachers, support staff in school
- Making and having friends
- Being a boy and a girl and that they can be any kind of boy or girl they want to be
- What makes people alike and what makes us different (diversity)
- Respect for others and the importance of being kind.

When it comes to **growing up and their body** children learn about:

- Making choices and decisions
- Looking after their body and keeping clean
- How their bodies change as they grow
- Names of parts of their body and names for private body parts; we use the words penis, vulva, bottom, nipples – P4
- Parts of their body are private
- Other people should not touch the private parts of their body
- What behaviour is okay in public and what is okay in private (for example pulling pants up before leaving the bathroom).

What do we do at First Level?

When it comes to **how human life begins, pregnancy and birth** children learn about:

- The life cycles of plants and animals
- How a baby is made (conception)
- Pregnancy and how a baby is born
- What a baby needs and how to care for a baby.

Information for parents and carers about RSHP learning at First Level at school and at home: <https://rshp.scot/first-level/>

What do we do at Second Level?

When it comes to **relationships** children learn about:

- What makes them unique and what makes people alike and what makes us different (diversity)
- Making and having friends
- Being a boy and a girl, and that they can be any kind of boy or girl they want to be
- Loving relationships and being attracted to others
- Respect for others and the importance of being kind – in our face-to-face relationships and online.

When it comes to **being safe** children learn about:

- Social media and being safe and smart online
- Feeling safe and unsafe
- Different kinds of abuse and neglect that can happen to a child
- What we mean by consent
- Who they can go to for help and support.

What do we do at Second Level?

When it comes to **growing up and learning about their body** children learn about:

- Making choices and decisions
- Looking after their body and keeping clean
- Puberty and how the bodies and emotions of both girls and boys change as they grow
- What 'having sex' is and about contraception and condoms.

When it comes to **conception, pregnancy, birth and being a parent/carer** children learn about:

- How a baby is made (conception)
- Pregnancy and how a baby is born
- Being a parent and thinking about what kind of parent they would be.

Information for parents and carers about RSHP learning at Second Level at school and at home: <https://rshp.scot/second-level/>

Parents and Carers

- Across this resource, and in Kirklandpark our approach to RSHP education, there is an acknowledgement that parents and carers are the primary educators of their children.
- In delivering RSHP education parents/carers will be given advance knowledge of sensitive topics and lessons.
- By learning together at home and school we can help consolidate learning – it's a partnership approach.

If you have further questions about the RSHP resource the FAQ section on the site may be of help:
